Summer is in full swing,

A special thanks to Karl and Sue for putting on a great outing and to Jay and Judy Wagner for collecting the money. Everyone truly had a great time. Thanks to Wayne Chart for putting up the tent.

This past weekend, Mary and I attended the first Lake Lucerne One Day Rendezvous. It was a little chilly, but everyone had a good time. Thank you to Steve Bunda for putting this event on. Having events in out lying areas hopefully helps to generate new members to Glacier Lakes.

By the time you get this, Mary and I will have left for an ACBS quarterly meeting at Lake Winnepesaukee, NH. We will be taking Ellie's SEQUEL. I was going to take the barrelback, but the restoration is a little more extensive than I anticipated. Gee, that's a surprise!

As far as the Pewaukee Boat Show at the lakefront, it's moving along very nicely. The committee is hard at work to make this the best one yet. You can bet, we'll have many spectators, the goal is one thousand. What do you think?

Jeff Spence of MOD-U-DOCK and Larry Chapman of Summerset Marine will help provide piers, barges and some labor for this first ever event at the Pewaukee Lakefront. We will need a number of SUVs, and snowmobile trailers to haul the piers. We will also need labor to help transport the piers in and out of the water. Can you help or know someone with the equipment? Please give me a call 262-695-2994 or E-mail wvidaljr@wi.rr.com

As said in the last issue, there will be a cost. We are in the process of publishing a program book to be distributed at the show. We are selling ads to area retailers. Would you like to help? Give me a call on my cell 414-870-1173. In putting this show together, everyone has been very cooperative and helpful from the Village of Pewaukee, to Pewaukee Park and Rec, The Chamber of Commerce, Positively Pewaukee and the DNR. Many committed members have been working behind the scenes to make it all happen. The Boat show committee hopes you can make it. We need boats. We're also looking for volunteers.

Enjoy your summer, and we'll see you on the water
