Madison Boat Show
September 13, 2008

Glacier Lakes NEW WEB SITE IS HERE!

www.glacbs.org

Spring is around the corner?

That's what I said last time! It just doesn't want to warm up for any length of time. We can't wait! The boating season is here.

By the time you get this, we'll be close to co-hosting the first joint ACBS quarterly meeting in Milwaukee with The Blackhawk Chapter. It's going to be a great weekend. As you know, all events require pre-registration through ACBS.

This newsletter is a big one because of all the boat show sign-up forms included.

★ Blackhawk has a Father's Day Cruise, June 15, Port Edwards, IL. I've been told that this is a fun outing that ends at The Port Edwards Restaurant in Algonquin, IL. ★ The Eagle River Show benefiting special needs kids is June 19-21. ★ The Blackhawk 24th Annual Antique and Classic Boat show is Saturday July 19, in McHenry IL at Joey T's. ★ The Minocqua Boat Show is July 25-27. For the first time, a pre-event cruise on the Minocqua chain is being planned. See details inside.

★ The Pewaukee Show will have two added features. The Pewaukee Area Arts Council will have a "Plein Art Show" to tie-in with the boat show. Also new will be The Wisconsin Scale Boating Association. They will bring scale models, static as well as R/C.

★ The Madison Show will have a pre-cruise on Friday September 12 and the show will be Saturday September 13. ★ The Geneva Show will be one day, Saturday September 27. There will be a special gathering for boating participants on Friday at Larry and Sue Larkin's place on Lake Geneva. This is always a special treat. Check the details inside.

My 1930 Ford truck got another casting call for Oshkosh, WI. This is the second city in Wisconsin where, filming of the Dillinger movie Public Enemies is taking place. An emergency phone call Sunday afternoon from the picture car director, saying that he had no trucks, prompted me to drop my pier parts and head to Oshkosh for what was supposed to be only a one day need. I ended up spending the entire week. I really learned a lot about how they create all the special effects. There was a giant "green screen" 30 feet tall by 200 feet long that covered a parking lot they wanted to get rid of. In the movie there will be a nice park digitally inserted in its place. They use exploding clear balls fired out of a paintball gun to simulate the sparks and the impact of a bullet. I want one of those! The set was incredible, they really spent a lot of time and money cleaning up the buildings, and making the city look authentic 1930's. Main street was the site for the Sioux Falls bank robbery, and one block to the east was Racine Wisconsin. Half the day we were in "Racine" filming and suddenly we would pick up everything, move the cars, change the license plates, and magically we were in South Dakota. There were always people sneaking onto the set, the security people referred to them as "Bogey's". It was fun to listen to them on the radio as they chased them down, confiscated their film, and "escorted" them off the set. With pictures of Johnny Depp on set going for huge dollars from the tabloids, they really cracked down on us taking pictures when the stars were around. I'm glad that they have taken a break from filming in Wisconsin. Illinois has been their stage for the past few weeks allowing me to get my pier in, and a couple boats running. I may be on call again before they finish filming June 19th. In the mean time the Board and all the volunteers that make our events happen will be working hard to ensure that all the events we have planned go off without a hitch. Pray for some nice boating weather!

Fox River Cruise
Sunday June 15**

The Blackhawk Chapter is pleased to announce the annual Fathers Day Cruise to Port Edwards Restaurant in Algonquin for the sumptuous Sunday cham-

pagne brunch. For those of you not familiar with this cruise, this is not one to miss. The lower Fox River is always calm, and the brunch at Port Edwards is extraordinary and the atmosphere is very nautical. This is also a good early season shakedown in the company of helpful companions.

The cruise will start with a free launch at Turnkey Classics in Burtons Bridge, at Highway 176 and the Fox River, courtesy of member Chuck Kelley.

Plan on being launched and ready to run by 9:30, at which time we will head south to Algonquin. We will be seated for brunch around 11:00. After gorging ourselves, we have the whole day for the leisurely trip back north. Cost is \$38.00 each, includes coffee, brunch, champagne, the works. Please mail the sign up form by June 7.
