Hello all,

hope your winter is going well, and that you had a great holiday season.

Glacier Lakes Chapter recently had a presence in the January 2020 Milwaukee Boat Show at State Fair Park. Thanks to **John Baumann** and **Charlie Shong** for taking the lead on this event. We displayed 8 boats as well as our tent and Ships Store. **ALL HANDS BOATWORKS** also had space in the booth and showed how kids learn to build wood boats from scratch. We attracted a few potential new members and generated \$155.00 in sales in merchandise. Thanks to all that volunteered their time, and unfortunately space in this article prohibits mentioning them all, but would like to note **Jane Larson** for dealing with the video (she also writes articles for the Rudder magazine), **Scott Bruesewitz** for helping move boats with the motorized dolly, **Judy Kearns** who headed up the merchandise sales, and **Eddy Rennpferd** who was there every day manning the booth.

Speaking of volunteers, *we need more members to step up and help with events.* You should have received a Calendar of Events, on the ACBS portal, that the Events Committee has compiled. Please do everything you can to support these events. As a chapter we are trying to offer as many events as possible for you to use your boats but again *there are too few members carrying the burden of putting on these events so please try and step up to help or some of these events will possibly go away in the future.* Thanks again to the Events Committee for compiling this as it took quite a bit of work.

If you have not renewed your ACBS/Glacier Lakes Chapter membership please do so. This keeps you current with all that is going on within both the chapter and ACBS.

Our last board meeting was held February 22nd. A quick synopsis of that meeting will be on the portal shortly afterwards to keep our membership abreast of what is happening.

Join us for the GLACBS Annual Spring Meeting

Wisconsin Maritime Museum
75 Maritime Drive, Manitowoc, WI
Waterfront Wine Bar
2 N 8th Street, Manitowoc, WI

Saturday, April 4, 2020

Tour one of Wisconsin's finest museums, be an active member of your chapter, and dine with your friends on the riverfront in downtown Manitowoc.

2:30 pm.

Gather at the museum for a docent led overview of the museum's displays and a tour through the USS Cobia, a WWII submarine famous for sinking a number of enemy vessels leading up to the US victory at Iwo Jima. The museum's collection is terrific and a must-see for boating enthusiasts or anyone interested in Wisconsin's maritime heritage. Don't miss this opportunity.

4:00 pm.

Attend our spring business meeting in the museum. Contribute to the chapter by being part of the planning and staying up-to-date on GLACBS's path forward. Cash bar for your enjoyment.

5:00 pm.

Walk one block to the Waterfront Wine Bar for a delicious dinner and drinks from their menu. This restaurant will become one of your favorites.

No payments prior to the evening are needed. Reservations, however, are. Please email Bill Freyman at wcfreyman@gmail.com to let him know if you are coming and how many will be in your party.

Reservations are due on April 1st.

HOSTED BY

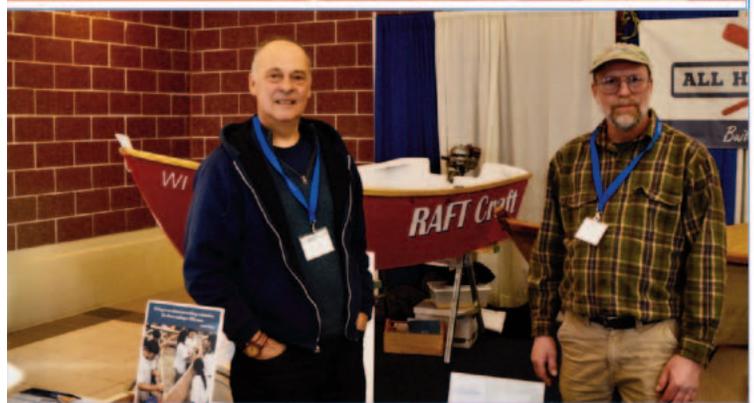

A SPECIAL THANK YOU to **John Baumann** for making show reservation arrangements with **Henri Boucher** of **SHOWSPAN**, and making calls to get boats and more calls and emails to get volunteers. A special Thank You to **Henri Boucher** for **Showspan's** support of the chapter as a year long sponsor. **Henri** wasn't at the show this year due to some serious health issues. Keep him, in your prayers for a full recovery. Show Manager **Ben Nielsen** helped us when we needed him. Thank you Ben. **John Baumann** has been coordinating this effort since 2008. A special thank you to **Charlie Shong** for assisting **John** with many of the show details. A special thank you to **Eddie Rennpferd**, for the fourth year running. **Eddie** was at the show almost everyday it was open.

GREEN LAKE CRUISE JUNE 13 and 14, 2020

Green Lake is 7 miles long, depth of 237 feet.

Dock at Deacon Mill Park where we will be meeting

We will meet at Deacon Mill Park in downtown Green Lake from 9 - 9:30. We will cruise Green Lake, possibly stopping at the Green Lake Conference to dock and take a short hike of the beautiful grounds of the Lawsonia golf course (formerly known as The American Baptist Assembly). More cruising and then a stop in Norwegian Bay for a social hour, eat your picnic lunch, and wading or swimming in the sandy shallow area of the bay. More cruising with a boat parade past local wood boats of Green Lake.

*Lodging is available at Bayview Motel. 920-294-6504 attn: Cameron
Rooms are \$130 - \$140 including docking in a protected harbor.*

If there is any interest, Sunday June 14 we could take an early sunrise cruise followed by boating of your choice.

JUNE 26-27, 2020

LAKE MINOCQUA AT THE BOATHOUSE & REDMAN REALTY MINOCQUA, WI

2020
28th Annual

EventDirector-MarcToigo/ marcto@gmail.com 715-892-4873/Facebook:@MinocquaBoatShow

Dear MACBS Participants:

Welcome to the 2020 Minocqua Antique & Classic Boat Show (MACBS) and to the famed Minocqua Chain of Lakes. My name is Marc Toigo and, with the help of my wife Lynn, many sponsors, and volunteers, I am the Event Director of the 2020 MACBS. Special thanks go out all the show founders, Al Hanley, and all the participants over the past 28 years.

This year we are going to hold the show over two (2) days, Friday and Saturday, June 26 & 27th 2020. This is going to be a busy weekend in the area so be sure to reserve hotel space immediately. In 2020, there is only one weekend between Fathers Day and July 4th and we are having the 2020 MACBS on that Friday and Saturday. We have decided to run the boat show later Saturday evening, until 8PM, and not to have the show on Sunday. Boats can be left at the docks on Friday and Saturday evening but should be removed when possible Sunday to allow The Boathouse patrons to use the dock space on the very busy Sunday.

A little bit about me. We live on Lake Minocqua, have a 1955 Chris Craft Continental, do a great deal of woodworking and love working on vintage wooden boats. Since retiring a couple years ago, I did a complete rebuild of my Chris Craft including a new 5200 bottom, rebuilt a 1956 Wagemaker by Wolverine runabout for a friend, and last winter challenged myself to build from the bottom up a

1957 SwitzerCraft Shooting Star. I hope you will see all three of these at the show this year.

Our participants and guests share a passion for vintage boats of all types and manufacturers. I am sure you will agree that the reward comes through the smiling faces of our guests as they enjoy each of the boats displayed. We have room for about 40 boats in the water but will expand our on-land exhibits with boats in The Boathouse parking lot and additional displays across the street in the Redman Realty parking lot. On-land participants can take time to put their boats in the water anytime throughout the show.

We appreciate all our sponsors and volunteers. Without their help this would not be possible. Proceeds last year went to Multiple Sclerosis (MS), and the Minocqua-Kawaguasaga Lakes Protection Association. Proceeds this year will be going to benefit several local organizations to be decided upon with help from organizers and sponsors. The Pointe Hotel & Suites is our preferred lodging for this event. In addition to registrations, clothing, and food and beverage sales, we will also have raffles.

Contact me with any questions and/or comments. See you in June. Marc and Lynn Toigo, Event Directors

WELCOME NEW MEMBER

Eugene O'Kelley of New Berlin, WI

1959 Thompson "Old Pal"

My name is Gene O'Kelly, age 76 and this is my first classic old wood boat restoration project. I live in New Berlin, WI. I have been doing other old boat project fixer uppers for sixty years in the pursuit of the perfect fishing boat for me. My first boat was a galvanized tin Lizzy. Then I had a Thompson Wood boat that I gutted and transformed into a bass boat. I just loved it until it dry rotted to death. Next, I bought a fiberglass decked run-a-bout that I gutted and transformed into a bass boat. It turned out to be a little too small. Then I got a free fiberglass tri hull from a junk yard that I repaired the broken transom plus a hole in the hull. After cutting out all the molded front wrap around seating, and windshields, it fished very nicely, but I couldn't make it pretty enough to suit me. After a series of these old boats, my wife and kids would just roll their eyes every time I started a new project. Later when I bought a brand-new boat my wife called the kids to tell them about it. She was greeted with a long silence. After a bit they asked for clarification. "From a boat store" – they didn't believe it. Over the winter I have been writing a story called "Me and My Boats" that has some adventure and funny events associated with each of them.

One day as I was helping a daughter remodel her old house, she pointed out that there was an old boat for sale across the street. She knew I loved old wood boats, and even though I had sort of vowed to myself "no more boat projects", I had to go look at it. There it was, a 1959 wood Thompson run a bout. The owner had inherited it from his father and had intended to restore it, but never got around to it. It was peeling varnish, sun bleached, and full of debris, dirt and leaves. Sad looking, but pretty solid, I thought it would be a fun project to restore. Maybe I could do "one more boat project" and strike a blow at mortality. Too bad us old guys can't be restored too. I started on it in the spring of 2019 and hope to finish it up during the summer of 2020 and perhaps put it in a few shows. It is a lot of work but it's looking pretty sharp already. I decided to name it "Old Pal", and it will have some antique fishing décor as well. I found a working 60's era Evinrude Big Twin Outboard that needs a little refurbishing too, but will complete the package.

“I was told by the seller that it was ‘good to go.’ Well, the bilge pump ran every hour all summer. In addition to having a leaky bottom, the engine sounded like a rock grinder.”
