You've heard the announcements and comments about our chapter hosting ACBS' 2017 International Show. Well now its official, after vetting a number of different venues, the Show will be at **Reefpoint Marina in Racine**. We just need ACBS' formal approval of the site. The show dates will be September 7-9, 2017. We will have pre-events prior to the International Show. A lot of details need to be finalized, but I think we'll have an outstanding venue. More of these details will be shared at our Spring Meeting.

Thank you to everyone who brought a boat, motor or volunteered at the **2016 Milwaukee Boat Show**. Our booth had a good variety of boats and motors. We had several people interested in joining our chapter. See page 7

Some other items on our calendar for this year are:

"A Spring Hands-On Interactive Tools and Varnish workshop" See page 11. **The Swap Meet** is back, page 11. **The Milwaukee River Cruise** is back. **The Milwaukee Concours d'Elegance** (formerly known as Milwaukee Masterpiece) has invited us back to this event. It was a great time last year. The organization donates their proceeds to a number of local charities. You'll find an entry form on page 12.

Spring ACBS Quarterly Meeting: Anyone looking for a spring trip this year should consider attending this meeting in Seattle. It is being held in conjunction with the "Opening of the Boating Season" with The Pacific Northwest Chapter in Seattle. This event dates back to 1913. If anyone does attend, let me know. My schedule prevents me from attending. We'd enjoy hearing the details and photos for the newsletter.

Does anyone have ideas for more "Hands-On Seminars"? Please submit them to me at customboatservice@sbcglobal.net.

April 30th is our Spring Meeting. It's going to be a Timmer's on Big Cedar Lake in West Bend. Reservation form is on page 3. Hope to see you there!

Fisher House

Linda Allen, Glacier Lakes Pewaukee Boat Show organizer presents a check for \$500.00 to **John Quinette, Executive Director for Fisher House**. 10' Utility Pram challenges Carmen High School students

*by Bill Nimke, Founder, Executive Director, Lead Instructor
at All Hands Boatworks, Inc.*

In January, **All Hands Boatworks** was back at the **Carmen High School of Science and Technology**. Eleven students in a three-week Intersession Class worked together on a 10' runabout. In addition to learning how to attach planking, bottom battens, and work with various hand tools, the students also learned how to work with fiberglass. Students were also taught measuring tolerances, as well as the calculation of the hull

volumes and displacement of numerous floating objects. **All Hands Boatworks** would like to thank the staff at **Carmen's Northwest Campus** for giving us this wonder teaching opportunity.

Also, thank you to the **Glacier Lakes Chapter of The Antique & Classic Boat Society**, which donated the materials for the 10' James Craft Utility Pram

WOODY BOATER WEBSITE STORY STORY BY JACK SCHNEIBERG

Long time fellow Woody boater **Jack Schneiberg** reported in from the Glacier Lakes Chapter of the ACBS took up it's normal post at the Milwaukee Boat show which started on Friday, January 15th, 2016. Moderate winter temperatures started the show, but the bottom started dropping out on Saturday and Sunday with sub-zero wind chills helping dredge up dreams of summer. Boats on display:

One of the most interesting boat present this year was a 1929 Hutchinson which is in the throes of restoration. **David Buckley** recently found this treasure and is planning a research trip to the northeast to sort out details he will need to finish the work.

David Buckley also showed "Miss Chief", his 1935 Garwood Speedster. A very original preserved boat that David does run regularly during the season. **Buckley** says he recently changed props in an attempt to get the nose down under launch and wanting to test it out on Christmas Day took it over to the launch ramp. However, a trailer mishap sent him back home feeling this was not the day to do that.

The Chris Craft Sea Skiff has been recently updated with fresh finish and has a home port on Pewaukee Lake and is owned by **Ty and Kathy Gutenkunst**. In fact, it has always been on Pewaukee Lake.

Charlie Shong brought his 1937 Electric trolling motor to display. The battery nestled in the bottom of the stand actually allows visitors to run the motor.

David Doyle brought his Switzer Craft "Baby Bullet" with a 10hp Mercury. Dave also hauled in 9 various antique outboard motors. Among the motors were two "Flambeaus" which were made in Wisconsin.

Winchester Boat Works, Presque Isle, WI. was one of the new participants this year. While these are fresh out of the shop, they still qualify as beautiful pieces of woodwork and I especially liked the "fairleader" ornament's on both boats.

And.....if one gets tired of looking at the real stuff, there's always dreams to look at across the aisle where the model boats show their stuff said **Jack Schneiberg**.

11th Annual, Madison Area Antique & Classic Boat Show August 5 & August 6, 2016

You are invited to take part in the 11th annual, Madison Area Antique & Classic Boat Show. The renowned Christy's Landing Restaurant will again be the site for the show on Saturday, August 1st. This location is simply outstanding for the public to view these beautiful boats on Saturday. On Friday we will be hosting a tour of the Madison chain-of-lakes; including Lake Waubesa, Lake Monona, & Lake Mendota (weather permitting). The tour will break for lunch at the UW-Madison Union Terrace and include a surprise tour of an interesting area on campus.

One of the most important aspects of this show is that the majority of the proceeds will go to the Clean Lakes Alliance. This organization is dedicated to improving the lake quality within the Yahara Lakes' watershed. For 2015, our goal is to raise \$5,000 by receiving donations from the public and area vendors along with offering some unique items for sale at the show's silent auction.

Awards will be given in several categories including the Best Chris Craft, Best Century, Best Inboard Motor Boat, Best Outboard Motor Boat, Best Non-Motorized Boat, Best Fiberglass Classic, and of course the "Best of Show". This will also include the public selecting the People's Choice Award Boat.

Please return your registration form quickly, as we are limited to approximately 45 boat slips (entries accepted on a first serve basis). Also, please include a brief history of your boat and a photograph (e-mail preferred) to enhance our boat show program booklet, which will feature all the show participants' boats.

The enclosed Schedule of Events and Registration Form should help answer your questions. If you need additional information, please contact Mark Walters or Andy McCormick via e-mail or telephone (see below). Should you desire lodging, we list local hotels on the enclosed map.

Thank you in advance for your interest and involvement. We look forward to seeing you there!
