Thank you to everyone who attended our Spring Banquet and Meeting at Reefpoint Brew House. Fifty-five people braved the windy and rainy night to attend the event. There were a few new members and some veteran members attending their first meeting. If you didn't attend, you missed a delicious BBQ buffet and a night of camaraderie. Reefpoint Brew House is the venue for the Welcoming Party of the ACBS International Show and Meeting. Enjoy Caribbean and Jamaican food, cold beverages, and the sounds of a steel drum band. (see acbs.org for more information).

Details about all our shows are in the newsletter and on our website (glacbs.org). Information for the ACBS International Show and Meeting is on their website (acbs.org), and the spring Rudder. Pre-event information is on the show's website Greatlakefunhappenshere.com.

At the Spring banquet, our newest and youngest member, one-month old **Adley Kay Holdmann** made her debut, along with her parents **Dan and Laura Holdmann**.

There are so many different aspects of our fellow Chapter members. Sometimes boat restoration stories don't vary a lot. (My two boats are about at the same restoration point as last newsletter.). These caveats might be interesting and help us get to know each other better. In future issues, I'm asking members to share something about themselves. I hope this will be an ongoing enterprise, seeing we have so many colorful characters in our Chapter.

**Rob and Gayle Ritter** will be the dubious ones to kick-off this inaugural feature with our next issue. Here's a preview:

*"As some of you know I'm a dentist in Milwaukee. However, I have tried to not let this get in the way of having fun. I have really have enjoyed running a private practice filled with great people. Gayle too has enjoyed her career as a hospital occupational therapist. When Gayle was in high school, her family hosted an AFS student from Honduras named Roxanna. The two of them grew quite close and to this day remain as sisters. Roxanna's father was assassinated running for the presidency of Honduras when she was nine. So consequently, she considers Gayle's dad her dad also. We have always had an excellent mutual family relationship that has been priceless. Over the years, we have visited each other's countries back and forth. Gayle and I always treasured our time with Roxanna's family and touring her beautiful country. That being said, we couldn't help to see the dark side of the institutionalized poverty that existed in the rural areas. On one of our first vacations to Honduras we become acquainted with a medical organization called **MEDICO**, an offshoot of **Doctors Without Borders**. This is where our story begins.....**To be continued.***

While you wait for the next newsletter, there are lots of boat shows to attend. Your involvement, with or without a boat, will be greatly appreciated. The success of our Chapter and what it accomplishes comes from your efforts. Without you we would not have a Chapter. I welcome and encourage ALL input. Feel free to reach out to me with suggestions, question, comments and as you know we are always looking for volunteers. Also, we have a Facebook page, Glacier Lakes Chapter of ACBS, another great way to stay in contact with fellow Chapter members and activities.

Have a safe summer! See you at the Show(s)!

Regards,

*Mark Willis*

It is with Great Sadness that Our Good Friend **GEORGE PLAMONDON**  
has left his Boating Friends on May 1, 2017

**What Fun and "What-a-Guy"**  
By Don and Bonnie Bergman

Bonnie and I have met many of our best friends through the antique boating avocation. Antique and Classic boaters not only share common interests; but also values.

I can think of no better example than our friend, **George Plamondon**. A few years ago we attended the Madison, WI show and thus participated in the lake cruise. The show photographer snapped a photo of our boat *MissMatch* with 3 boats in front.

We liked the photo and enlarged it to a print suitable for wall hanging. In fact, we liked it so much, we have one copy over our kitchen table in Florida and another copy hanging in our Wisconsin home.

Fast forward to the 2016 Sunnyland Tavares Show. While admiring boats on the dock—Bonnie excitedly exclaimed—"There's *What Fun*!". I didn't grasp the point. She added—"What *Fun* is in our Madison picture!" And sure enough it is—2 boats

ahead of ours with George at the helm.

We then met George on the Tavares dock. After introducing ourselves, I invited George to our Vero Beach Show. Without hesitation George said "Count me in". That was the beginning of a great friendship.

George pulled *What Fun* down to Vero Beach and stayed with us at our Florida home. He participated in the show dinner and exhibited *What Fun* to the great enjoyment of our show attendees. Before leaving us, George presented a bottle of fine champagne to Bonnie. We told him we would save it for a special occasion.

When George's beloved Cubs won the world series last fall, we opened his champagne and sent to him a "real time" photo of his champagne being enjoyed. His response was "wasn't that unbelievable!"

Now, when at breakfast, from the print, George looks down on us while sitting in his favorite seat. What Fun.

**George's 1937 Chris-Craft  
was featured in the  
2010 Madison Boat Show Poster**

**EDITORS FOOTNOTE:** George was a father, grandfather and avid antique boater. He belonged to The Blackhawk, Glacier Lakes and Sunnyland Chapters. He was past President of Blackhawk and instrumental in bringing The ACBS International Meeting and Boat Show to Lake Geneva in 2011. *George will be with us in spirit at Reefpoint in September.* **George's Daughter Elizabeth Cutler** posted this message. "Big G George Plamondon passed away this morning peacefully, with us by his side. We are grateful for and overwhelmed by the kind wishes and good vibes that helped him on his way. THANK YOU. People always tell us they have had a lot of fun with our Dad. He lived life to the fullest. He left us with the desire and permission to have FUN with the days we have. Safe journey, Big G. We love you." He is survived by children Elizabeth Plamondon Cutler and George L Plamondon III, both of New York, New York; grandchildren Nina and Lucy Cutler, and Tate, Luke and George L. Plamondon IV; his sister, Diane Plamondon and his nephews, George and Christopher Cushing, of Houston, Texas.

## The Blackhawk Chapter held a dual workshop at the Delevan Lake Boat Shed and Streblow Custom Boats Saturday April 22, 2017.

The workshop started at 10am at the **Delevan Lake Boat Shed** with coffee and doughnuts. It was estimated that about 75 people attended the informative sessions. Before the workshop, chapter members looked at vintage boats and 35 antique cars from 1925 to the 1950's. **Jameson Bradford** did hands on demonstrations on stain applications plus restoration techniques.

The group then traveled to **Streblow Custom Boats** a few miles away where a light lunch complements of the Blackhawk Chapter was served. Following lunch **Steve Horton, President of Streblow Boats** continued the education seminar/workshop. He detailed the picking of the right woods and glues used in the process. Steve went into detail about looking at each board, identifying stress areas called "wind break", linked to stability of the woods. Howard Schneider and Wil Vidal from Glacier Lakes attended the workshops. Howard said he learned some important techniques to complete the restoration of his 1961 Century Sabre.

**Glacier Lakes Chapter Beat Reporter  
John Baas**

### **Story and Photos by John Baas**

Ever since Ole Evinrude delivered that ice cream cone to Bess, Americans have been fascinated with the outboard motor. That was evident on Saturday, May 13th when the Midwest Chapter of the Antique Outboard Motor Club Inc. held their annual Swap Meet and Show at the Okauchee Lions Park.

The weather cooperated nicely with intermittent sunshine and warm temperatures. More than 35 sellers in two rows displayed everything related to boating and outboard motors. One of the more interesting motors was the Italian-made Cary Jet circa 1963. This motor utilized a turbine below the water line which pushed water through a jet orifice propelling the boat.

Like moths to a flame you'll see crowds gather to view the new arrival's offerings hoping to get first dibs on what they brought. Tom Knuteson of Waukesha pulled in with a beautiful display of 13 Johnson outboards of various vintage and horse power. While we didn't see him sell any, he did load two more Johnson's into the trailer.

### **HOSTED BY**

## OUTBOARD SWAP MEET CONTINUED FROM PAGE 10

Attendees who browse the rows of motors and parts will often be heard saying things like, “my grandpa had one of those”. Like many similar vintage enthusiasts’ organizations, the Antique Motor Club struggles with attracting younger members. Getting the kids to put down the video games and pick up a spark plug or a wrench would go a long way in lighting a fire of interest in a new generation.

ACBS Glacier Lakes members in attendance were John Baumann, Rich and Roberta Hegy, Jack Schneiberg, Gary Berg, Jane Larsen, Dan Holdmann, John Baas and Dan Johnson. Johnson is president of the Midwest Chapter of AOMC. He was pleased with the turnout and hopes the swap meet and other club activities will help to add to the roughly 55 member roster.

**For more information on AOMC or have questions about old motors, contact Dan Johnson at [lauderdale900@gmail.com](mailto:lauderdale900@gmail.com). Or visit the Antique Outboard Motor Club’s website at [www.aomcidiwest.com](http://www.aomcidiwest.com).**

# DOOR COUNTY Classic & Wooden Boat Festival

AUGUST 11-13, 2017

*You are invited to the 27th annual  
Door County Classic & Wooden Boat Festival*

The spotlight will be on classic boats at the Door County Maritime Museum when we host our 27th Annual Door County Classic & Wooden Boat Festival, August 11-13 in Sturgeon Bay. Sharing the spotlight with all the finely crafted vessels from sail and runabouts to kayaks and canoes are the colorfully decorated and hand-crafted Sikaflex vessels. The Sikaflex Challenge always draws an enthusiastic crowd during construction, time trials at sea and eventual destruction. Meanwhile, a variety of demonstrations are part of the festival. And it doesn't stop there. We have also partnered with the city's Maritime on Madison festival (immediately adjacent to our site) to provide music, children's activities, shopping specials, wine and beer tasting, and much more. Admission to the festival is free.

Show visitors can choose their favorite boats as they walk the docks. People's Choice Awards will be awarded in the following categories: Favorite Classic Inboard, Favorite Classic Outboard, Favorite Sailboat, Favorite Fiberglass Classic, Favorite Non-Powered Boat, Favorite Model Boat, Favorite Unique Craft and Overall Best of Show.

Just for you registered boaters is Friday's "Bay to Lake Lighthouse Cruise." Following a tour of the tug *John Purves* at the museum, boaters will jump aboard their boats and head past the largest shipyard on the Great Lakes to the Sherwood Point Lighthouse. Upon your return you will tie up at the Sturgeon Bay Yacht Club for lunch (from its menu). After eating, the cruise will continue through the historic ship canal to the U.S. Coast Guard Station lights. We'll reverse course out on the big lake and return to the museum to prepare for the evening cocktail reception.

For lodging needs, please visit [www.doorcounty.com](http://www.doorcounty.com) for an extensive listing of hotels and resorts to choose from and, of course, [www.doorcountyclassicboatfestival.com](http://www.doorcountyclassicboatfestival.com) for the latest news regarding the 2017 festival.

*Thank you in advance for your interest and involvement.*
