Happy New Year,

One of our members, Dennis Evinrude, President of the Antique Outboard Motor Club had interesting thoughts in his recent "News From The Tiller". He talked about the Christmas season where there is a certain magic in the air, where people, even though very busy, find time to unselfishly give and contribute their talents. He expanded on this and relayed it to the AOMC club and the number of people it takes to make an organization vibrant...individuals sharing their knowledge and getting involved. All of this is through volunteerism, he said.

It certainly holds true for Glacier Lakes and the other chapters in ACBS. Just looking in this newsletter, one can see the volunteers giving up their time and providing their talents to make it happen. Have you ever noticed that the more you give to something, many times it's returned multifold.

Between Glacier Lakes, Blackhawk and ACBS, there are nineteen events that one could attend. Unfortunately, there are some overlaps. Blackhawk has a great Tech Session in Green Lake. A Glacier Lakes board meeting and Boat Show meeting has been scheduled for the same day. Because of a prior commitment, yours truly is not able to change the meeting.

At the last Boat Show meeting, Sue Rechcygl asked what we plan to do with the money being generated. She asked about the possibility of making a contribution to a local charity. In hindsight, we possibly should think about some sort of contribution. Put on your thinking cap. It will be brought up at the board meeting March 10th. Yours truly would like to see some of the money go towards upgrading the newsletter plus reach out to new potential members. Possibly we should buy the Wisconsin DNR registration list and start recruiting. We'd start with the close counties and move out. We have member boat restorers in the outreaches of Wisconsin that could get the message out.

Anyway, there are a lot of activities to keep you busy this Summer. One new event is the One Day Rendezvous on Lake Lucerne at the Water's Edge Lodge, just outside of Crandon, Wisconsin. Lucerne is a 1,026 acre crystal clear pristine lake. Steve Bunda is putting it together. He just completed his new restoration shop.

Another event happening this spring is the "That was then, This is Now" Boat Show being held in Muscatine, Iowa. The Clear Lake Chapter of ACBS is putting it on. See page 11. It is mentioned here because ACBS is wrestling with the concept that maybe they need to embrace fiberglass. Personally, I refer to these boats as the "Peggy Sues". The guys and (some gals) that grew up with these boats are recovering and restoring them. There is an eastern restorer that specializes in restorations of these boats. There are some pretty neat boats out there. It seems that this Muscatine show is moving in that direction.

The next newsletter will not be out until mid to late April. Please mark your calendar for the March 10th Board/Boat Show meeting and the Friday night fish fry, April 6th at the Delafield Brewhaus. The good news is that your next newsletter will welcome spring.

Milwaukee Boat Show

January 19, through January 28th, 2007

Story and pictures by Frank Petran

First, many Thanks to Kevin Maltby, Ken Bourgeois, Tom Forecki, Mary Willis and Helen Petran for showing up ahead of time to help set up the booth on Thursday.

As usual, the weather just doesn't like to co-operate. Amidst snow, sleet and much road salt, Bob Kuntzsch, David Doyle, Wayne Chart arrived with their boats. Making the trip from Lodi, (near Madison) Jane and Steve Manke arrived with her Falls Flyer.

David Doyle brought his 1957 14 ft. Curly Craft inboard runabout. Wayne Chart brought his 1965 18 ft. Cruisers Inc. outboard runabout. Bob Kuntzsch brought Sara's 1946 16 ft. Chris Craft Rocket. Jane Manke brought her restored 1956 14 ft. Larson Falls Flier, powered by a restored 1956 Johnson Javalon on a restored Tee-Neer Trailer. Mark Willis displayed one of his rebuilt Chris Craft 185 hp 283 cu. in. engines and Walter Wilde provided several 1950's era small outboards. Many thanks to all of them. Without their boats and motors we wouldn't have had such an excellent display to showcase our Chapter.

This year was one of the best years in a very long time because we had enough people who volunteered to help staff the booth. We had at least 2 people there at all times. If you are new to the Chapter and wish to get involved this is one of the best ways. Just ask Jeffery Kincaid and Kurt Schrang who are new to the Chapter who spent some time staffing the booth. You get to meet not only members of the Chapter but to meet and interact with the general public whose interests are classic boats.

EDITORS NOTE: Many thanks to Frank Petran for quietly orchestrating the entire event.

The Glacier Lakes Chapter
presents their
14th Annual
Antique & Classic
BOATS, MOTORS, and PARTS
SELL, SWAP, and SHOW
Sunday May 20, 2007

SHOW HOURS
10:00 AM to 3:00 PM

Open to everyone who has a boat,
motor, trailer, or spare parts that
wishes to sell, trade, buy or just
show at this event.

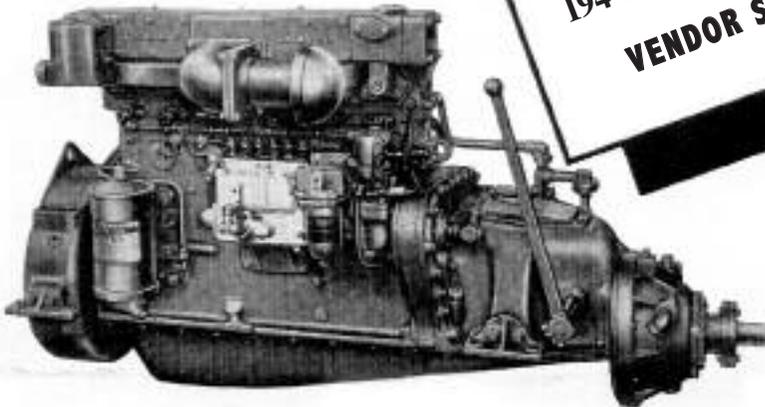

There are no charges or fees.
For more information contact:
Frank Petran @ 262-284-3650

or

MARK YOUR CALENDAR

**One Day Rendezvous
on Lake Lucerne
at the Water's Edge Lodge
Crandon Wisconsin
Saturday July 14, 2007**

Lake Lucerne is a pristine 1,026 acre lake located 14 miles from Crandon, WI.

Steve Bunda is spearheading a one day Rendezvous.

The next newsletter will contain information including accomodations.

CALL Steve Bunda for more information 715-478-3186

There will be a tour of Steve Bunda's new restoration facility

MINUTES **GLACIER LAKES Chapter ACBS** **MEMBERSHIP MEETING January 14, 2007**

Present: Wil and Mary Vidal, Dave Doyle, Mary and Mark Willis, Rick and Kathy Malle', Jim Staib, Kurt E. Schrang, Tom and Diane Forecki, Ken and Gerda Bourgeois, Frank and Helen Petran, Jeffery Kincaid, Kevin and Patti Maltby, Bob and Ann Kuntzsch, Karl Johns, Walter Wilde, Linda Allen, Wayne and Jan Chart.

10:00 am Wil called the meeting to order. Members introduced themselves and described their boats. Minutes from the Oct. 15, 2006 annual dinner were distributed and Frank Petran made a motion to accept the minutes and unanimously approved.

Mary Willis reported that we have \$5,840.03 in the treasury. This was unanimously accepted by all. Wil requested a written report for all to see the expenses for the next meeting. Wayne Chart will check if money was paid for the tent repair.

Because Tom Sellhausen was not available for the membership update, Wil reported that we currently have 83 paid members. Events Reported:

- Jan. 19-28 Boat Show: Frank and Kevin reported that we have 4 or 5 boats for display. A motion was made by Ken that the club should pay for parking at the show if you work more than two times.
This was seconded by Wayne and unanimously accepted.
- March 10: There will be a board meeting, following the Pewaukee Boat Show meeting.
- April 13 is the Friday night fish fry. This date may change due to the ACBS quarterly meeting, April 15th.
(NOTE: CHANGED TO APR 6)
- April 15 is the quarterly ACBS meeting in Mystic Seaport, CT.
- May 19 is the Muscatane Iowa Boat Show
- May 20 is the Swap, Sell, and Show Meet in Oconomowoc. Kevin and Frank are the chairmen.
Mark and Mary will direct the traffic for parking the displays. Frank made a motion for the club to purchase four, 6 feet tables to be stored in the shed for club use at functions. This was seconded by Karl and unanimously approved. Mary will obtain the tables.
- June 15-17 is the Eagle River Boat Show. Frank reported that a donation is made to Special Olympics from this function
- June 24 is the Okauchee Lake Boat and Car outing, hosted at Karl's house. He will have a pig roast and everyone will bring a pass-around dish. Karl will check with the DNR for easier access to launch.
- July 26-27 is the ACBS quarterly meeting in Lake Winnepesaukee
- August 18 is the 3rd annual Pewaukee Lake Boat Show. Wil discussed promoting the outing and John Constable will be designing the poster.
- September 14 and 15 is the 2nd Annual Madison Area Boat Show at Christy's Landing. Profits of the outing are donated to the M.S. Society.
- September 26-29 is the ACBS annual meeting at Lake George.
- October 7 is the tentative date for the Annual Meeting and Dinner.
John Baumann will look into booking the event at the Chenequa Country Club.

Old Business: None

New Business:

The Steigerwald will no longer host an outing in Eagle River. The club wants them to know that the event was well appreciated for so many years.

Kurt Schrang will look into a one day outing on Lac LaBelle.

Ken will check on the feasibility of an outing in Winneconne.

Linda Allen will create an e-mail data base for members to acquire information via their e-mail.

Karl Johns made a motion to close the meeting at 10:50 am.
It was seconded by Wayne Chart and unanimously agreed upon.

Respectfully submitted by Linda Allen, club secretary.

Commodore enjoys warm weather of Georgia while others struggle in winter weather of Wisconsin...what gives?

by Wil and Mary Vidal

What can I say. We did run into some cool weather while we were in Georgia. After the quarterly meeting, we headed down to Florida to see friends, and more cool weather. Totally, 3,300 miles were put on. Anyway, I thought I'd share a little about the first ACBS quarterly meeting of the new year.

It was held January 18, 19 and 20 on St Simons Island, just off the Georgia Coast. St Simons Island is sixty miles north of Jacksonville Florida. The lodging and meetings were at the King and Prince Beach and Golf Resort. The Resort was originally opened in 1935 and is listed on the National Register of Historic Places. There was an excellent turnout for the three day event with sixty six members attending, from all coasts including Canada.

Right next to the King and Prince Resort, Bill and Gail Turner rented a cottage, called the Wesley House. This would be the gathering focal point throughout the weekend. Bill Turner has carried on his father's business of building Aristo Craft boats. Thursday night Wesley House was the welcoming place with cocktails and snacks for all arriving ACBS attendees. Frozen Georgia concoctions were served, courtesy of the Blue Ridge Chapter. Later that evening, everyone convened to the Chelsea Restaurant, a quick walk across the street. After dinner, everyone returned to the cottage for coffee, cocktails, and dessert. Friday night, everyone enjoyed an incredible Seafood Buffet Extravaganza at the King and Prince Resort. The Blue Ridge Chapter of ACBS hosted an outstanding barbeque dinner event Saturday night. Again, frozen Georgia concoctions were served.

On Friday, ACBS attendees went to the Golden Isles Marina, and took two tour boats (glorified pontoon) for a trip to Jekyll Island and the Jekyll Island Club for a great lunch. This famed facility was founded in 1886. It was a retreat for the Vanderbilts, Rockefeller, Astors, and Pulitzer to mention a few famous people. The buildings and grounds gives one a glimpse of the lavish lifestyles of the past.

CONTINUED ON PAGE 8

Jekyll Island Club, founded in 1886

The oldest grave stone discovered in the church yard, Christ Church, Frederica, dates from 1803.

English flat bottom boat cruising

On the way back from Jekyll Island, pictures were taken of a fishing troller, an English flat bottom boat and a moored sailing ship. The flat bottom boats are seen on the rivers of the English countryside.

On Saturday afternoon after the Chapter Round Table and Board meeting, everyone boarded vintage trolleys for a tour of St Simons Island. The English claimed the territory and established a town on the banks in 1736. One of the stops was Christ Church, Frederica. Considered one of St Simon's most treasured landmarks, this is the church where John and Charles Wesley (considered fathers of Methodism) conducted services in 1747. The first church structure was built in 1820, but was destroyed by Union troops during the Civil War. The present church was built in 1884. The oldest grave stone discovered in the church yard dates from 1803.

This only scratches the surface of another great weekend of great food, fellowship and site seeing events compliments of Bill and Gail Turner and the Blue Ridge Chapter of ACBS.

RESULTS OF ACBS SURVEY

Incoming ACBS President, Bob Bush directed a survey to be sent out in December, 2006. He feels that it is very important to keep a close relationship between ACBS and the individual chapters. The results of the survey were shared with the directors present at St Simons. An overview of the survey is included here. A more detailed analysis will be put into the Spring Rudder. Hopefully you had a chance to complete the survey. Bob McMahn, ACBS Director, in charge of the Public Relations & Marketing Committee, provided this summary for the board meeting. I will share more information with you at the Spring membership Friday Fish Fry, Delafield Brewhaus, April 6th, 2007

BACKGROUND: As the Survey questions were being developed, the PR Committee solicited input from thirteen Board Members whose responsibilities are allied with ACBS membership at large interests and actions. In the end, it was determined that a sampling of the members would be surveyed utilizing those members that have provided email addresses with their registration. The electronic format provided for instant response and tabulation and also provided the maximum time for review and return of the Survey.

The first flight of 5600 Surveys was emailed on December 12th and the Survey was concluded on December 22nd. Half way through this time period a reminder was sent out to those that had not responded.

CONTINUED ON PAGE 9

CONCLUSIONS:

- The Executive Summary prepared by the Research Firm along with all the raw data used to make up the Summary has been presented to the ACBS Executive Committee for their review and conclusion.
- Following are a few summary conclusions and facts.
- 5600 Surveys emailed. Thirteen percent or 728 bounced back for whatever reason. 1520 were received by the recipients.
- Thus we sampled 19% of our members (1520/8000) and we had a 27% return on the 5600 we sent out. This is an excellent response by all statistical measures! We can assume the measures we calculate are representative of our full membership of 8000.

- This Survey cuts across our membership and provides our members thoughts as regards their membership in ACBS International.
- 78% of respondents have never been a Chapter Officer
- Age of respondents
 - 65+ 24.5%
 - 55-64 38.3%
 - 45-54 26.4%
 - 35-44 8.9%
 - 18-34 1.5%

Interesting fact, we're not as old as we think we are. 64% of our members are aged between 45 and 64.

- Geographic: Four Canadian Provinces, Forty-seven U.S. States and the District of Columbia represented in the Survey.
- Tenure in ACBS: • 1 year or less 14.8% • 2-5 years 35.5% • 6-9 years 21.3% • 10 year or more 28.3%
Notice how well this tenure splits, 50.3% five years or less and 49.6% six years or more.
- Chapter members versus non-chapter members: • 88.2 % versus 11.8%
- Number of boats owned and number that are fiberglass: • 97% of members own a boat • About half of these boat owners own 2-5 boats
• 20% of the boats owned are Fiberglass
- Willingness to participate in a judged boat show. • 52% said they were, 25% said no and the balance had no opinion
- Two Track Judging System: • 64 % are in favor, 6% are not and 30% had no opinion
- There were a number of questions that dealt with membership benefits, member attendance at International events and what are the expectations of the members. The Committee is reserving comment on these questions at this time. We (PR committee) believe the Executive Board should have time to absorb the Executive Summary Report and supporting data and then they should provide comments on these issues. This said, the PR committee provided the following comment.
- Only 25% of ACBS International Members have attended an Annual or Quarterly Meeting.
- The Survey comes through loud and clear suggesting that many of our members perceive International (headquarters) as being another part of ACBS that has little or nothing to do with ACBS at the Chapter level. These members appear to have little or no interest in what goes on at the International level. Their interests lie in the local Chapters and the events they can participate in that are close to home.

3rd Annual Eagle River

Antique & Classic Boat Show

June 16 and 17, 2007

All Proceeds to Benefit Local Area Special Athletes

• Daily Activities Include •

Judging, Trophies, Refreshments and Entertainment

Eagle River, Wisconsin 54521

1st Annual

"That was Then, This is Now"

Wooden, Fiberglassics, and Classic and Modern Racing Boat Show.

The City of Muscatine, Iowa, and the Clear Lake Chapter of the ACBS are proud to welcome you to our first annual "Best of Both Worlds" boat show. You will see the glorious mahogany wooden boats of the past, fiberglassics of the 50's and 60's, and racing boats from yesterday and today. The Mississippi Riverfront is a perfect place to see your favorite mahogany classics from Chris Crafts to Century, Hackercraft, Aristocraft, Speedliner, and others. Then stroll down to the early years of fiberglass boat construction with fiberglassics that will include early Correct Craft inboards to a Herter's Flying Fish or Beeline Outboard. Then jump ahead in time to the evolution in boating with racing boats of yesterday and today. See open and closed cockpit boats in all categories from the Vintage Hydroplane Association to some of today's top boats in all of the classes of the American Drag Boat Association (ADBA) and American Power Boat Association (APBA) classes of competition

This is a first for a combined show and we want to make this a boater's show, an event that only continue to grow. This show will cater to the boater and all suggestions will be entertained to make this show grow into the Sturgis of the boating world. The boats will be displayed on and off the water and everyone will be sure to be at the river's edge to watch the boats on the water. Muscatine used to have annual boat races on the mighty Mississippi and we want to bring them back. We now have the perfect waterfront park and staging area for a boat show and races and next year we are already looking at racing events for different categories.

Please mark your calendars now for May 19th, 2007, Rain Date May 20th. and plan now to attend.

Browse through our website www.muscatineboatshow.com for more information.

It will always be updated with all you need to know.

TEN REASONS

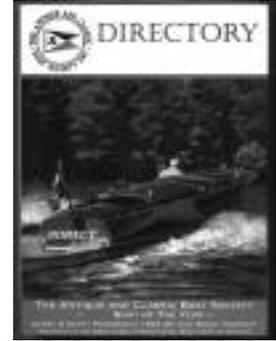

why you'll want to join

THE GLACIER LAKES CHAPTER of The Antique & Classic Boat Society

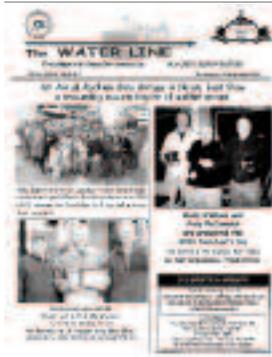

Reason #1 The magazine you'll put on your coffee table-**RUDDER** magazine-You'll get this quarterly glossy magazine that will keep you updated on the important activities of boat shows in the US and Canada. Features include: Calendar of Events; Chapter News; Boating Safety; The Trading Dock and more.

Reason #2 The book worth the price of admission alone. **The DIRECTORY**-Across the US and Canada, you'll have almost 700 pages (1.5" thick) with 8,000 names at your finger tips to share antique & classic boat information and answer questions. Listings are multi cross referenced by boat classifications, alphabetical boat name listings and alphabetical inboard engine listings.

Reason #3 "The Waterline", The Glacier Lakes Chapter bi-monthly newsletter keeps you informed on local events and projects. You are invited to contribute stories about your experiences with your boat from trips to restorations.

ACTIVITIES

- * Annual Swap, Sell and Show Meet
- * Annual Antique & Classic Boat Show. Wild Eagle Lodge
- * Annual Boat & Car Outing on Okauchee Lake
- * Annual Pewaukee Lake Boat Show
- * Annual Madison Area Boat Show

Reason #4
SAVE 10%
on your insurance

Reason #5

Save an average of \$15.00 on a weekend with Hertz

Reason #6
A FREE TICKET

to the largest collection of boats in North America
The Antique Boat Museum
Clayton, NY

Reason #7
50% DISCOUNT ON
ANNUAL MEMBERSHIP
BoatUS/West Marine

+\$.10 per gallon discount on gas
+5% rebate on all equipment purchases
