**SEE YOU AT JANUARY BOAT SHOW PLANNING BRUNCH
SUNDAY JANUARY 5, 2020 Delafield Brewhaus
SEE PAGE 18 FOR SCHEDULE**

First off I would like to thank **Roberta Hegy** for her dedication during her two years as commodore. She remains on the board so we will continue to have her insight into matters of the board. Thank you again.

For those of you who missed the fall banquet, a great time was had by all. Thanks go out to **Marc Danilo** for putting the 15 year slide show together and sorting through all the pictures that were sent in to pick the best. **The chapter donated over \$3,000.00 to various charities and organizations dedicated to the education around our passion of antique and classic boats.**

The new board was elected and approved by the attending members. We are still in the process of making changes within the board and I will keep you all apprised of those changes as they occur. Our mission on the board is to keep the membership more informed about what comes out of our meetings so you will be getting more frequent emails on that subject in the future. ACBS gives us the tools to keep members more informed and we intend on using those tools going forward.

Please remember we are a volunteer organization. We will be reaching out to you for help in the various activities that will be going on in 2020. There are too few people that are doing the majority of the things that keep the chapter going. You will be hearing from the chair persons of various events in the future so we ask that you find a way to give us some of your time to help at these various events.

"It takes a village" to coin a phrase.

The Milwaukee Boat Show is our next event on the docket. Dates are January 17th through January 20th and January 22nd through January 26th. Move in is January 16th and we can use your help. John Baumann and Charlie Shong are the co-chairs so please let them know if you can provide assistance or possibly even a boat for display.

*Looking forward to a great
2020 for the Glacier Lakes Chapter.*

from the Past Commodore

It has been an Honor and a Pleasure serving our Chapter as Commodore over the past two years, not to mention a Challenge at times. I now look forward to serving on the board as Past Commodore over the next two years, hoping to help our new Commodore, **Bob Stoltz**, keep the Chapter on an even keel.

This past year has been an exciting year for boating, making new friends, and renewing old friendships. The season was kicked off for Rich and I being able to attend the Sunnyland ACBS show in Tavares, FL. This was followed by the shows in Manitowish Waters, Minocqua, Sturgeon Bay, and our own show in Pewaukee. And that AWESOME PARTY at **John and Amy Zea's**. WOW!!! Rich and I were also fortunate enough to go to the International Show in Alexandria Bay, NY. We had a very large chapter turnout at all these events. It was Great spending time with many of our members and boating new and fun places.

We just had our Fall Banquet with election of officers. It started with our traditional fellowship hour followed by an excellent plated dinner with a very YUMMY cake with our Chapter LOGO for dessert. Several recognition awards were presented to those members who went above and beyond the call of duty. We had a Great Roundtable Discussion led by **Mary Willis** discussing future plans and directions our chapter will be taking. Marketing strategy was also discussed and **Dan Holdmann** presented a new online clothing option that will become available for getting items with our chapter logo. The meeting concluded with a slide show featuring memorable moments over the past year. Thanks to **Mark Daniloff** for bringing his AV equipment and running it.

While 2019 was a great year, 2020 promises to be even better. We will start out in January at the Milwaukee Boat Show where we will have an opportunity to showcase our hobby to the general public. While there are many shows in surrounding states, we will also have our regular shows around Wisconsin. There is a rumor that the Madison Show could make a comeback in 2020. Also discussed was the possibility of non-boating get togethers like a Brewer's Game and tailgating. Keep looking at the Newsletter for many boating and other social opportunities and don't be bashful about suggesting things you may be interested in that would promote more fellowship and get more members actively involved.

In closing, I want to thank all of those who were so kind and helpful to me over the past two years. Especially noteworthy are **Bill Freyman** for his commitment to our chapter, **Linda Allen** for her extraordinary fund-raising skills, **Nancy Feichtmeier** for being so helpful in keeping track of the finances and the banquet tallies, **Brian Irwin** for his great efforts keeping track of the Chapter business, **Jack Schneiberg** for his accounting of Chapter shows and the 501(c)3 effort, **Bob Stoltz** for his efforts in keeping the boat show going with Wil, and **Wil Vidal** for his many years as Chairman of the Boat Show. There are many others who also stepped up to the plate to help me and the Chapter continue to flourish. I hope we can continue to see those people, and more, Step Up and keep our Chapter Great!!

Thank you,

Roberta Hegy

Glacier Lakes Chapter, ACBS, Inc.

Minutes from Brian Irwin

Photos by Gayle Ritter and Rich Hegy

Present: Lars and Joan Anderson, Jane Larson, Gary Berg, Marc Daniloff, Peter and Connie Dornbach, Perry and Jill Edwards, Lisa Evenson, Pete and Nancy Feichtmeier, Tim Fredman, Bill and Sarah Freyman, Rich and Roberta Hegy, Dan and Laura Holdmann, the Holdmann Family-Eli, Bennet and Adley, Brian Irwin, Bob Stoltz, Judy Kearns, Rich and Beth Lepping, Gary and Sue Rechcygl, Howard and Donna Schneider, Gayle Ritter, Bob and Louis Snyder, Mark and Mary Willis.

The Fall Membership Meeting for the Glacier Lakes Chapter of the ACBS, Inc., was held Saturday, October 26, 2019 at the Cotton Exchange in Waterford, WI. Fellowship began at 5:00 pm, and by 6:05 everyone was seated, with salads served by 6:20.

After a delightful meal, outgoing Commodore Roberta Hegy welcomed everyone at 7:25 p.m. Roberta asked for any revisions to the Spring Membership Meeting Minutes. Hearing none, Roberta asked for a motion to accept the Minutes as submitted. Bill Freyman motioned for acceptance, with Bob Snyder seconding. All present so signified by saying 'Aye'.

Nancy Feichtmeier provided a Treasurer's Report, and the Chapter is very much in the black with another successful boat show generating advertising and donations. Nancy reported those donations will soon be apportioned and mailed to the recipients. Roberta asked for a motion to accept the Treasurer's Report and Bill Freyman motioned for acceptance. Bob Snyder seconded the motion, and members present so signified with an 'Aye' vote.

Gayle Ritter next spoke to Membership numbers throughout 2019, with 204 members currently active in the Chapter. She next thanked every member who attended the International Show and stated there were ten boats and 24 members who made the journey to New York state. As part of our Membership recognition, Gayle highlighted the **newest members** in attendance, **Peter and Connie Dornbach**. Perry and Jill Edwards were also recognized for their role as ambassadors for the Chapter throughout the summer at several boat show venues. Perry Edwards began, saying he and wife Jill

became members in 2011. His profession in the building trades lent itself to working on boats. He said, "The fun is in putting them together, then moving on to the next one!" Peter Dornbach explained his introduction to Glacier Lakes came about a mutual friend, Karl Johns. Peter and Connie own a Chris-Craft Cadet and shared over the years many wonderful people have entered their lives.

In Old Business, Vice-Commodore Bob Stoltz stated the Pewaukee Boat Show was again very successful in terms of both financial revenue and boater participation. Bob highlighted the tireless efforts of Wil Vidal, Co-Chair of the show and Howard Schneider for seeing the temporary piers are installed safely and in a timely manner. Linda Allen's cheerful work coordinating volunteers for the show was recognized, and for her efforts in fundraising the day of the show. Jack Schneiberg's professional skills as Treasurer for the event were highlighted, as the revenues exceeded any previous year.

Next, Bill Freyman shared of the Sturgeon Bay show, on behalf of the Door County Maritime Museum. He offered "Greetings, from the northern division" of the Chapter to much laughter. This year, 54 registered boats attended. He thanked members for their help providing rides to show goers, and for the presence of the Chapter pop-up. Next year will mark the 30th anniversary of the DCMM annual show!

Commodore Roberta shared Jane Adams and Mark Walters hope to reinstitute the Madison Area Show next year, at a potential site "Buck and Honey's" with a tentative date of August 1, 2020.

In New Business, Roberta wished to thank those many members who assisted her in the role of Commodore. Nancy Feichtmeier was recognized as "Treasurer Extraordinaire". Bob Stoltz and Wil Vidal received profuse thanks for co-chairing the Pewaukee Boat Show. Finally, Roberta presented the President's Cup to Bill Freyman for his efforts promoting the mission of the Chapter throughout a large part of the

state. Congratulations and 'Thank you!' Bill. To close Roberta's tenure as Commodore, Bob Stoltz presented her with a gavel, to which she replied, "I sure could have used this the last two years!" Much laughter ensued. Thank you, Roberta for your many months of tireless and often thankless work.

Bob Stoltz next presented the slate of Officers and Board Members to everyone. The proposed slate for 2020 would have Bob Stoltz – Commodore, Dan Holdmann – Vice Commodore, Nancy Feichtmeier – Treasurer, Brian Irwin – Secretary. Bob Snyder has graciously offered to fill the vacancy in the Board for Dan, who is assuming the role of Vice-Commodore. Mary Willis has accepted a position as Director at Large. Other Director at Large positions are at the appointment of the Commodore, and for the present those will remain vacant. Rich Lepping motioned to accept the slate, and Bill Freyman seconded. The members in attendance so signified with an 'Aye' vote.

New Commodore Bob Stoltz said donations to Honor Flight totaled \$1348 from the Pewaukee Show. Five other organizations will each receive \$500. They are: All Hands Boatworks, Wisconsin Maritime Museum, Door County Maritime Museum, Hands on Deck and the Pewaukee Historical Society.

Bob said, "Watch for news on the planning meeting to be held in early January for the Milwaukee Boat Show." John Baumann and Charlie Schong will organize Chapter participation. There will be a meeting/brunch January 6, 2020 at the Delafield Brewhaus.

Vice-Commodore Dan Holdmann has successfully negotiated a web-based clothing apparel line, featuring Chapter logos. Watch for updates soon! Presently the logo will be embroidered, but plans are to include a lower-cost silkscreen line. Dan stated, "This is not a revenue-generating tool." Mark Willis offered a hearty, "Thank you, Dan!"

Commodore Bob Stoltz said there is currently no firm date or location for the 2020 Spring Membership Meeting. This will be discussed at the next BOD Meeting.

Celebrating Glacier Lakes Chapter 15th Anniversary

In other New Business, Rich Lepping asked members to consider names of individuals who have contributed time and talent many years for possible recognition by ACBS Headquarters.

Following the conclusion of the Business portion of the Meeting, Bill Freyman motioned to adjourn and seconded by Bob Snyder.

The evening program opened with Mary Willis sharing take-aways from the Round Table discussion at the 2019 International Show. This year the focus topic was member "Recruitment, Retention, Involvement and Engagement." Mary detailed we must all engage potential members; do the simple things – business cards, post cards, active website and email contacts. Encourage people who don't own boats but share a passion to join us! Talk about our boats, why we belong. Share the benefits and involve others by organizing picnics, potluck dinners and so forth. Table discussions ensued, with a random sampling of the following responses: Rich Lepping states the Glacier Lakes Chapter communicates better than virtually any other Chapter. We are "leadership driven" and lightyears ahead of other Chapters. Other suggestions included 'play to our strengths' and develop an 'Annual Program' early in the year. "Take A Boat Ride Today" was a brainstormed idea. Museum tours, press releases featuring our boats and so forth.

Next, Marc Daniloff hosted a look back in time over the past fifteen years of our Chapter existence. This in-depth visual journey encapsulated events, places and people near and dear to our hearts. Some have passed on, but all have left positive contributions in making the Chapter a vital, active organization.

In conclusion, Gayle Ritter presented Roberta a huge bouquet of roses as an expression of gratitude for her service as our Commodore.

Members began departing at 9:20 pm into a cold, rainy night so very unlike the warm, bright days of recent summer!

EDITORS NOTE: Special thank you to Aliz Savay, Edit Harken's daughter, for supplying the drone footage for the Saturday night presentation.

Castles, Cottages & Cruises: GLACBS Members at the 2019 ACBS International Show

By Jane Larson

The sun warmed the hearts and spirits of those who attended the 2019 ACBS International Boat Show in Alexandria Bay, NY Sept. 15 -21. The St. Lawrence River greeted attendees with rare smooth, calm waters and allowed boaters to enjoy the spectacular scenery. The trees were kissed with red and gold, the mornings were crisp and hazy. Twenty plus Glacier Lakes members (the extended Zea family made up the “plus”) and eight boats made the trek from Wisconsin to New York, most arriving Sunday and others following on Monday and Tuesday.

Arrival on Sunday was a bit gloomy and drizzly but that didn’t dampen the Glacier Lakes spirits! An impromptu meeting in the hotel parking lot led to boats being launched at the Riveredge Resort launch. An evening boat ride, ending at the Leppings’ floating house for cocktails, kicked off the week. Monday found most of the Glacier Lakes gang aboard the Uncle Sam boat tour en route to Singer Castle on Dark Island. The castle was the “hunting retreat” for Commodore Frederick Gilbert Bourne of the Singer sewing machine family, back in the early 1900’s. From the massive 5-story clock tower, to the medieval entryway with Knights of Armor standing guard, to the tipping “spy” portrait and to the many secret passageways, the group was amazed by the grandeur. A box lunch was enjoyed under sunny skies on the top deck of the Uncle Sam boat as the tour then headed to Boldt

Castle. Self-guided tours of the famed castle led to the discovery of amazing rooms, pools, gardens, towers and out buildings. A summer dream home, the Boldt Castle was built in the early 1900's by millionaire hotel magnate George C. Boldt as a tribute to his beloved wife Louise. Before its completion, Mrs. Boldt passed away unexpectedly and the inconsolable Mr. Boldt immediately stopped all construction leaving the property vacant for over seventy years. Graffiti and vandalism can still be found on the upper stories of the castle, while the lower level has been restored to the grandeur of the golden age of the Thousand Islands. A quick boat trip took people to the amazing Boldt boat house where museum quality boats are displayed. Another evening boat ride for some ended the day, enjoying the sunset (and cocktails) back at the Leppings' floating house.

Tuesday was an adventurous boat ride around Wellesley Island. The Glacier Lakes gang joined 284 passengers in 65 boats on a tour of the Thousand Islands area. Castles and cottages dotted the islands. "The Narrows" were navigated one boat at a time and under water waterfalls created crazy currents, turning boats one way and then another. The wide open stretches of the river allowed for those craving speed to "open 'er up"! The evening was spent at the Bonnie Castle Resort at a reception hosted by the Thousand Islands Chapter. The day's stories were re-told and the bright orange sunset was admired.

The Antique Boat Museum (ABM) in Clayton was on the docket for Wednesday. For those who chose to arrive by boat, the 45 minute ride was delightful and the huge freighter that shared the St. Lawrence River was truly something to marvel at. The ABM is an amazing place with several different buildings filled with magnificent classic and antique boats. A special treat was the warehouse that was open just for ACBS mem-

CONTINUED ON PAGE 11

bers. Boats and motors of all sizes, in all shapes and in different stages of repair/restoration are stored here. A short walk from the ABM and you found yourself at the ACBS offices, as well as the quaint downtown shopping area. The official kick-off to the show was held at the Antique Boat Museum Wednesday evening with music, food, drink and tours.

Thursday dawned to round table meetings which several of our Glacier Lakes members attended. The takeaways were fantastic regarding membership involvement and retention. It was also a day to get one's boat ready for the show and perhaps judged. There were 151 boats registered for the show with docks at the Riveredge Resort and at the city docks, a 10 minute walk away. The show, held Friday and Saturday, couldn't have been better! Lots of sun, little wind and tons of laughter. Wood shined and chrome gleamed. Following Friday evening's scholarship dinner, the town of Alexandria Bay delighted everyone with fireworks over the St. Lawrence River with the Boldt Castle as a backdrop. It was truly magical and a wonderful way for Alexandria Bay to say thank you to show participants. Class awards were given out Saturday morning at a breakfast and the show wound down Saturday evening with an awards dinner. Our Glacier Lakes crew took home a "boat load" of silver awards. Way to go! John Zea won the "best engine" award. (A complete list of winners, as well as show and meeting articles, can be found in the 2019 fall edition of The Rudder magazine.) The Glacier Lakes members found themselves saying good bye to new friends with promises to stay in touch. Sunday found Glacier Lakes members back on the highway waving to each other as they passed each other. The cars and trailers scattered as some stopped at Niagara Falls for a day's detour, while others headed back to Wisconsin, stopping overnight. If you've never attended an ACBS International Boat
