Fall is here!

Where the heck did Summer go? Every year it is the same question, and ever since I was a kid, I've been trying to find the answer. Sorry this edition is so late in getting out to you, there has been so much going on since the end of August and the extremely successful Pewaukee boat show, that Wil and I haven't been able to put a news letter together. Thanks to all our members that put in the man-hours necessary to pull the Pewaukee show off. It really takes a lot of time to plan the entire show, and a lot of muscle to get the piers and infrastructure to the shores of Pewaukee Lake and make this event happen. All the effort shows when things run as smoothly as they did. If you missed the Madison show, you missed another great time. Kudos' to our Glacier Lakes members from the Madison area for putting on a super show, and a fun cruise through the chain of lakes the day before.

Thanks to Christy's Landing for hosting our event, and all the great food they cooked up for us after the cruise. I recommend that you put the Madison show on your list of things to do for next year, and take that Friday off to join in the fun. The November/December newsletter will feature the Madison Show.

The Lake Geneva show was the final show in our area for the season. I was un-able to attend due to a mandatory Ski Patrol refresher course, (yes, it is almost ski season), but I'm told that they had 56 boats, and a nice crowd in attendance. The Blackhawk chapter sponsors that event, and if you can fit it into your schedule, it is worth getting to. By the time you receive this, the fall color cruise on Pine Lake, and the annual meeting/banquet will probably be over. I placed my order for good weather, and I hope that it came through for us. Thank you all for making my first year as commodore a fun one.

I hope that my second term will be as smooth. A new slate of officers, directors and chairmen will be presented at the banquet. With out all the help and support from our very active membership, it would be a much more difficult job. Thanks for all your help throughout the year.

Sincerely,

John Baumann  
Commodore  
Glacier Lakes Chapter, ACBS

# **PEWAUKEE LAKEFRONT PARK**

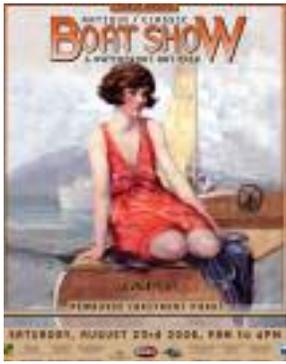

## **PEWAUKEE BOAT SHOW AND ART FAIR**

The morning was a little iffy, in fact, pretty lousy, but as the day moved along, the sun came out and so did the crowd.

There were all the pre-planning meetings to get the show going. It started at the end of the 2007 show, but for this story, we'll be a little out of order in terms of sequence of events. We'll start somewhere near the beginning and move around.

**Jay Wagner, Sue Rechcygl, Dawn Lotz** of Glacier Lakes, and **Abby Lorenz, Karen Patrick and Liz Rhode** (PAAC) started selling ads for the program book early on. **Jim Lotz** managed all the bookkeeping duties before, during and well after the show. He also helped launch boats early Saturday morning. **John Constable** contributed ideas at the planning meetings, did the design of the poster for 2008 including being part of the crew that did set-up and take down before and after the show. **Bob Stoltz** made arrangements to get the raft to tow the boats into position and asked **Brian Henke** to donate his pontoon for the photo shoot for **Classic Boating**. The photo shoot was probably the only part of the event that didn't happen because the early morning sunrise didn't cooperate with **Norm and Jim Wangard** of **Classic Boating** magazine. **Todd Schultz** showed up at 6AM to captain the pontoon for the photo shoot, which didn't happen. **Gary Rechcygl** was available for all the planning meetings including helping to hall and install the piers...including the raft. **Sue Rechcygl**, by popular

demand, brought back the band, "A Little Bit of Heaven". **Sue Schroeder** helped in planning and worked the Glacier Lakes information tent. **Ken & Gerda Bourgeois** helped in the information tent along with planning. **Jeff Allen** helped in pier set up and launching of boats before and after the show. **Linda Allen** worked the information and registration tent. **Jeff Spence** of **Mod U Dock** again helped with supply of the piers and installation guidance. **Howard Schneider** worked with **Jason Burke** of **Summerset Marine**, designed the new boat mooring wires and helped in a big way with installation and take down after the show. **Mark Willis** coordinated getting the trucks and trailers to pick up the piers including delivery and assembly into the lake. **Donna Schneider** helped with the registration process for the show. **Russ Schneider** helped to assemble the piers before they were put onto trailers at **Mod U Dock**. **Jay Wagner** and **Mark Willis** delivered the trailers to be loaded. **Don Schwister** helped to install the piers and dismantle them before the show and after the event. **Dave Van Der Wegen**, and **Rob Ritter** weren't afraid to get wet putting in the piers and taking them out. **Mary Schwister** became the new connect for publicity with the media. **Jack Schneiberg** helped with the process of setting up the tent and displays. **Karl Johns** picked up the chapter equipment and captained the set up with the help of **David Doyle** and **John Constable**. **Jay and Judy Wagner**, **Jeff and Linda Allen**, and **Tom Sellhausen** worked the launch sites. Others who helped with launching or mooring the boats included: **Gary Rechcygl**, **Ken Bourgeois**, **Brian Kramer**, **John Baumann**, and **Jack Schneiberg**. Those working pier control were: **Lisa Kramer**, **Dawn Lotz**, **Mark and Mary Willis**, **Jack Schneiberg**, **Jerry Petersen**, **Mark Walters** and **Jane Adams**. Ships Store included: **Mary Vidal**, **Helen Petran**, **Donna Schneider** and **Dawn Lotz**. **Dave Doyle**, **Karl Johns**, **John Constable** helped with The Chief Judge was **Frank Petran**. His associates were: **Howard Schneider**, **Gerda Bourgeois**, **Mary Willis** and **Diane Forecki**. **John Baumann** had classy new ballot boxes made along with new boat trailer parking signs.
