ACBS INTERNATIONAL
MEETING AND BOAT SHOW
IS INCLUDED WITH THIS NEWSLETTER**

Thank you for allowing me to be Commodore of this Chapter. It's been an enjoyable two years. And we made it through the International Boat Show and Meeting!

Woody Boater hailed it as a major win and a tough show to follow up in Port Huron next year.

The success of this event could not have been accomplished without the efforts of the volunteers. Everyone did a fantastic job during the show and after the event was over. Thank you to everyone who exhibited their boat or attended the show.

Our Chapter was well represented during the awards ceremony. **Bruce Renquist, Rick and Coco Roy, Jane Larson and Gary Berg, Roberta and Rich Hegy, Zea Family, Scott Brueswitz, Gary and Sue Rechcygl, and Ed and Helen Rennpferd, Bartizal Family, John Seaman, Paul Mason, David Buckley, Perry and Jill Edwards, Rich and Beth Lepping** to name a few. ACBS will publish the complete list on their website.

Rich Lepping is the new President of the ACBS organization.

There still is International Boat merchandise still available. Jackets, Hooded sweat shirts, shirts, etc. See inside for details on available items and purchasing.

The Fall Banquet will be Saturday November 25th at Delafield Brewhouse. It's an important meeting for all to try to attend. We'll elect a new Board of Directors, and **Roberta Hegy** will become Commodore of the Chapter. Hear some new ideas for the future growth and development of the Glacier Lakes Chapter of ACBS.

If you aren't already a member of our Facebook Group, please join. The Glacier Lakes Chapter of ACBS. This is a great way to stay current with Chapter and Chapter member activity.

This year also brought some heartache for the Chapter members with the deaths of several members and/or spouses. Most recently **Karl Johns**. A lot of great knowledge about old boats and personalities will be greatly missed.

In closing, thank you for your help and support during these past two years. I'm still trying to get one of my boats completed in time for next year's shows.

Regards,

Mark Willis

*** “Director At Large” is a one year appointment by commodore. Commodore usually asks for membership approval.**

Commodore-Roberta Hegy-I joined the Glacier Lakes Chapter during the 2011 Milwaukee Boat Show. My husband, Rich, and I stopped by and were very welcomed by Wil Vidal and Frank Petran. We talked about classic boats and that I was building a classic style outboard runabout. We had attended the Pewaukee show the previous year and the following year (2011) entered our newly built Glen L Zip into the show. We have been active members since 2011, helping on the boat show committee, and later being elected to the Glacier Lakes Board as a Director. Two years ago, Rich Lepping asked me if I would consider being the next Vice-Commodore. I accepted and continued on helping with the shows and assisting the new Commodore, Mark Willis. It has been my pleasure to work with the Glacier Lakes Board and the members of the chapter. I hope to continue on as your new Commodore and hope to do as well for the chapter as Mark and previous Commodores. It will be my honor to serve as Commodore of the Glacier Lakes Chapter.

Vice Commodore-Bob Stoltz -Bob has been involved with the chapter from the very beginning. He makes arrangements for the chapter's use of The Pewaukee Yacht Club for chapter doings. Bob gets involved in the show meetings, and volunteers for show set-up, the show itself and show take down. Bob has been a big supporter as an advertiser since day one. Bob was on the ACBS International Meeting and Boatshow Chapter Steering Committee at Reefpoint in 2017

Secretary-Sue Rechcygl -Sue has agreed to run again as Secretary. She has been secretary since 2011. Sue gets involved where the chapter needs help. She and her brother do the music for the Pewaukee Boat Show, “A Little Bit of Heaven”

Treasurer- Nancy Feichtmeier-Nancy has agreed to be Treasurer for 2018. She has held this key position since 2014. Nancy was also deeply involved in the planning of the 2017 ACBS International Meeting and Boat Show at Reefpoint Marina.

Mary Willis-Director at Large-Mary Willis has just completed the huge task of coordinating the chapter's involvement in putting together the ACBS International Meeting and Boat Show at Reefpoint. She has been on the Pewaukee Boat Show Planning committee since it's start in 2005. She served as Treasurer from 2007-2012.

Glacier Lakes Chapter Lost Great Friends of the Hobby this Past Year

Brian Jon Berg

Brian Jon Berg, 50 of Schofield, WI. passed away at home on June 5, 2017. He was born to Roger & Beverly (Winter) Berg on March 31, 1967. He is survived by his three brothers; Kenneth (Vicky) Berg, Eau Claire, Jack Berg, Athens, GA, Scott (Sue) Berg, Appleton and, many nieces and nephews. Brian will be deeply missed by his family, friends and co-workers. Services were held at St. Peter Evangelical Lutheran Church on Monday, June 12, 2017

For 11 straight years, Brian made the trip to Pewaukee to help set up for the Pewaukee Boat Show. Weather permitting, he came on his Harley. That was 354 miles round trip, representing 5 hours round trip per year. Brian owned and restored 3 antique & classic boats: 1948 Chris-Craft 17ft; 1956 Chris Craft 23ft and a 1956 Chris Craft 18ft. Brian will be missed by all his fellow hobbyists.

Gordon Haines Moore

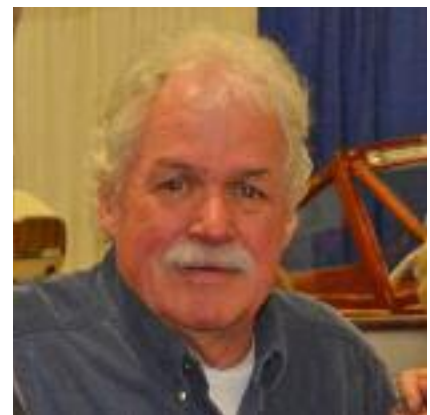

Age 85, from Minocqua, Wisconsin and Amelia Island, Florida passed away peacefully at his home in Minocqua surrounded by his family on August 13, 2017. Gordon was born February 10, 1932 in New Albany, Indiana.

Gordon is survived by his wife Judy who after 64 years of marriage he still called "the love of his life", his son Jeffrey (Tami), his son-in-law Bobby Levy. His Grandchildren Ashley Levy Lunsford (Wes), Rachel Moore Taylor (Adam), and Zach Moore (Meghan). His brother Jay Moore (Lin). He also leaves behind 6 great granddaughters. After graduating from Indiana University, he went on to join the United States Air Force where he earned the rank of First Lieutenant as an instructor on T33 jets in the Air Force flight school.

He started his civilian career in 1958 with General Electric as a sales trainer remaining there for his entire 30 year career, reaching the level of Manager for the Consumer Electronics Division for RCA/General Electric.

His retirement centered around his four loves; his wife Judy, his children, antique cars, and wooden boats. Even in retirement he found a source to which he could channel his energy and knowledge when he started "The Minocqua Antique Boat & Car Show". The boat show continues after 23 years still benefitting Multiple Sclerosis and is the second largest contributor to the MS foundation in the state of Wisconsin.

Gordon was first introduced at the age of 9 to Lake Minocqua when his parents rented the house on Jossarts Island for the summer.

**In memory of Karl Johns;
father, friend, antique collector,
and so much more.....**

**Born June 24, 1938 Died

By John Zea

Survived by son Ron Johns of Houston Texas

The Glacier Lakes Chapter lost one of our dear and loyal friends on August 31st, Karl Johns passed peacefully into his eternal home at age 79. Karl was a man of numerous talents and was well read on a wide spectrum of subjects ranging from World War II, antique boats, cars, planes, and anything relating to mechanical design. Karl was one who was always willing to share his knowledge freely and lend a helping hand. Having graduated from Wauwatosa High School, Karl attended both MSOE and UW Milwaukee, becoming a mechanical engineer. Following in the footsteps of his father who was Falk's Chief Draftsman for 40 years, Karl began his career in the LAB performing R&D work on various transmission projects eventually taking his talents into the field as a Field Service

Engineer. In this position Karl visited every continent on earth over his 24 year career and was quick to share he ate his favorite food a rare filet every night on the road. Not one to let grass grow under his feet Karl retired from Falk at the young age of 45 and soon after bought his dream house on Okauchee Lake in 1985. Karl immediately undertook the project of building his shop where he would go on to restore numerous antique boats until the age of 62 when he decided he needed to get to work on his own crap as he would put it. With his interests in anything antique or “free” Karl amassed an eclectic collection of interesting old things ranging from shaving cups, electric fans, antique furniture and appliances, collector cars, and oh yes, old boats.

In 2006 at a Wauwatosa High School reunion Karl’s bubbly personality, quick wit, and friendly smile caught the eye of Sue Schroder who became his soulmate and best friend the past decade. Karl and Sue were a fixture at Glacier Lake events and hosted 2 outings at Karl’s Okauchee Lake home where many great times and memories were made. When Karl was diagnosed with cancer he maintained his positive outlook on life and routinely said he wish he had more time, but felt he lived a full life. For those who knew Karl I think we would all agree Karl lived a full life; his smile, humor, and stubbornness will be missed by all who knew him, rest well my friend

27th Annual Door County Classic and Wooden Boat Festival

Dan and Eli's Big Adventure

By Bill Freyman

The 27th annual Door County Classic and Wooden Boat Festival took place on August 12th and 13th in Sturgeon Bay, two stunningly beautiful days. Saturday offered big crowds again this year, as visitors enjoyed not only the boat show but also the adjacent Maritime on Madison street festival. With over 40 boats to view both in the water and ashore, kids' activities, the Boathouse Sale of used maritime treasures, the museum and its displays, and of course the Sikaflex Challenge Boatbuilding Contest, the festival was a fun time for all.

Unfortunately, the pre-event cruise scheduled for Friday, The Bay to Lake Lighthouse Cruise, didn't take place as the Coast Guard posted small craft warnings for the day due to windy conditions. Eleven boats had registered for the cruise. Their crews still enjoyed a guided tour of the 100 year-old John Purves, the museum's signature tug, lunch at the Sturgeon Bay Yacht Club, a docent led tour of the museum, and the complimentary cocktail reception that evening.

Glacier Lakes members should know that the chapter was extremely well represented this year by Dan Holdmann. Not only did Dan and the family bring their boat to display at the festival, but Dan and his son Eli joined the Sikaflex Challenge! Yes, they dug in, sawed away, got covered in Sikaflex glue and paint, and raced their boat in the time trials on Sunday. Hundreds of spectators found Dan and Eli irresistible and they were clearly the emotional favorites of the contest.

According to Dan, he and Eli didn't work out any construction details prior to the start of the event. They simply got creative and got to work. The red, white, and blue boat they named Jett, featured watertight compartments (we think), and personalized rowing stations. "Daddy" was to starboard; "Eli" was to port. Bill Freyman loaned them a GoPro camera to mount on the foredeck to record the effort.

Eleven teams participated. They earned points by building the boat quickly, finishing the on-water course fast, and by the number of votes they received for theme/decoration. One Coast Guard entry sank during the race. Dan and Eli were fast around the course, but were only able to place 10th. Their build time left something to be desired in terms of speed. But the crowds were loud and enthusiastic cheering Dan and Eli on during the event. Their high-five at the end said it all. The GLACBS team didn't participate in the final traditional boat "demolition derby." Eli, now a Sikaflex veteran, wanted to take Jett home.

So congratulations to Dan and Eli. Way to go, guys! Everyone should plan to attend the 28th annual Door County Classic and Wooden Boat Festival next year, because Dan and Eli are already planning their comeback. Let's cheer them on. Forward, GLACBS!

27th Annual Door County Classic and Wooden Boat Festival MORE PICTURES-CONTINUED FROM PAGE 8

Perry and Jill Edwards Presented an Award to Gordon Moore, Al Hanley and Pete Extrom on behalf of all the Minocqua boat Captains

Story and Pictures by Jill Edwards

My husband Perry is full of surprises! For the Minocqua show this year, he shared with me his idea to give Gordon Moore, Al Hanley and Pete Extrom an award (on behalf of all the boat Captains) in honor of the 25th anniversary with proceeds going to the MS Society for so many years.

I heartily agreed that it was a great idea!

We designed some nice looking awards (wooden plaques) and brought them up to the show with us.

On the sly, we spoke to as many of the Boat Captains as we could, explained our idea and showed them the

awards. We also thought it would be nice to try and give an extra little donation just from the Captains. Everyone agreed and helped out.

After Al Hanley completed the award presentations, Perry surprised Al by stepping up to the microphone to explain that Gordon, Al and Pete deserve an award for their 25th year, etc. He gave the plaques and the envelope with the donation to Al and Pete. Gordon had already gone home due to the bad weather, so Al said he would make sure to deliver Gordon's to his home.

25th Minocqua Antique and Classic Wooden Boat Show

Story and pictures by Roberta Hegy

The 2017 edition of the Minocqua show was a great success in spite of a change in the date, some off season weather, and intermittent showers. Boat turnout was good with over 30 boats in attendance and some really neat antique cars. Music was great as Brett and Frisk returned and provided on dock entertainment. The Boathouse also provided their excellent venue and food.

Friday was the start of the event with boat registration from 12PM until 5PM. A short captain's meeting preceded the annual Boat Parade past the Min-Aqua Bats grandstand and other lakeside businesses and spectators. Dining after the parade was enjoyed in the Boathouse restaurant with a view of the water show performed by the Min-Aqua Bats.

Saturday's festivities continued with the boats and cars on display. Brett and Frisk entertained us throughout the day with their music. We had several opportunities to sound off our "rumbling motors" to the delight the crowd. The show concluded with the awards ceremony and an option lake cruise.

Special awards were presented to Al Hanley and Pete Ekstrom for their wonderful efforts in raising money for the Multiple

Sclerosis Society, the beneficiary of the show. Over \$135,000 has been raised during the boat show's history in the Minocqua area. Al and Pete, along with Gordon Moore have been tirelessly involved in the direction of this Great Event.

Rich and I have enjoyed attending this show for the last two years. The "Up North" Wisconsin atmosphere is beautiful and begs you to return. We spent some extra time this year and got in some golf and enjoyed the scenery, as well as the beautiful lakes.

We were also able to attend the Manitowish Waters show over the Memorial weekend. At that show, there was an award snafu. We were supposed to be awarded "Best of Show" for the Torpedo, but the award was inadvertently overlooked. Al McNichols called me just before the Minocqua show to ask if we could meet at the show as he said he had something for me. Al was one of the judges we met at the show in Manitowish Waters. He graciously brought the award to us at the Minocqua show. Very BIG SURPRISE!!!

Bottom line!! "Up Nort" is really AWESOME. So, if you haven't attended a show up nort yet, you must!! Yah Hey.

Manitowish Waters

Story and photos by Roberta Hegy

The 2017 edition of the Manitowish Waters Car and Boat Show was a Great Success. The weather was perfect and the attendance magnificent. Over 35 cars and 30 boats participated in the event. Most boats were land displayed with about 6 boats sharing the beautiful docks at the Little Bohemia Lodge. Little Bohemia opened up the grounds around the lodge and made a beautiful “Up Nort” Wisconsin setting. It was fun seeing all the cars and boats on display and visiting the famous lodge where the infamous shootout with John Dillinger took place. We had a chance to tour the lodge and see all the carnage, from the gun battle, that had been preserved as a museum in the lodge. Little Bohemia provided lunch items and drinks outside for show participants and spectators. A band provided music to add to the festival feeling. A yummy dinner was also enjoyed in the evening in the lodge restaurant.

Rich and I arrived early on Friday and were able to tour 8 of the 10 lakes in the Manitowish Waters Chain of Lakes. Greer’s Peer, just off HWY 51 was our launching site. We stayed at the Chippewa Retreat Resort during the weekend stay. We were able to dock the Torpedo outside our condo at the resort. The grounds, restaurant (White Oak), and facilities at the Retreat were awesome as was the condo. The Manitowish Waters area is one of the truly “Up Nort” places you will ever experience. Rich and I plan on making this an annual event for us.

Some of the really cool things on display were a Ford Shelby Cobra and a Ford GT. There were woodies and roadsters and even a turbine powered aluminum boat. Although the boat had no running gear, it did sound cool as the owner spooled up that turbine. Free rides were given in a steam powered craft reminiscent of the African Queen. All in all, it was a great time, great weather, and great participation. It was quite an honor for the Glen L Torpedo to receive the “Best of Show” award.

FOX 6 NEWS ran live interviews during Fridays' set up for The Pewaukee Antique & Classic Boat Show

LOTS OF PUBLICITY...BEAUTIFUL WEATHER

A special thank you to **Nicole Eckert** for taking on publicity duties again for 2017. She was able to get pre-show publicity in The Waukesha Freeman, The Milwaukee Journal Sentinel's Lake Country Living as well as in event listings in a variety of publications. Nicole was also successful in getting **Brian Kramp** of **Channel 6** to do a live TV broadcast Friday morning August 18, 2017 at Pewaukee Lakefront Park during setup. There were 5 interview segments starting at 7:45AM. For the kids "Toy Boat Painting" segment, **Dan and Laura Holdmann** brought their two boys, **Eli-5** and **Bennett-3** years old. Their newest addition, **Adley** made her second official appearance at a chapter event. This authors' favorite grand daughter, **Ellie Eckert** rounded out the group. She helped the kids and did a wonderful interview talking about the show and what it had to offer as a family event. **David Buckley** brought his 1935 GarWood 16ft Speedster "Serenity". Once again, David did an outstanding interview and gave **TV 6 Brian Kramp** a fast ride.

Brian Irwin, one of our newest Glacier Lakes members gave history about his 1958 Yellow Jacket "Catalina" powered by a 1959 Evinrude. **Reuben and Nancy Kugel** brought their 1915 Ford Touring car for the TV 6 interviews.

Tom Edfors and his crew of the The Wheelmen arrived in their period clothing to demonstrate their vintage bikes of the 1900's. Joining Tom were **Jim Guthrie**, **Kurt Schaak** and **Mark Pachefsky** as part of the interview. They helped **Brian Kramp** of Channel 6 make his debut ride on a 1900's bike. It was a perfect sunny morning.

FRIDAY AM SETUP-August 18 2017

Early Friday morning, the trailers started arriving. Glacier Lakes members brought two trailers with the piers. Everything was lined up along Wisconsin Ave. Safety precautions with warning barriers were put in place. Volunteers at each end of street directed traffic. The Dawes crane arrived about 8:00AM. The piers were lifted off the trailers and set in the lake. The chapter crew linked the piers and

Pewaukee Antique & Classic Boat Show

connected the system into the **Pewaukee Ski Club dock**. On Sunday morning, everything was done in reverse.

Great Lake Fun Happened at Reefpoint Marina!

By Mary Willis

ACBS' Annual Meeting and International Show opened on Wednesday September 6th with a Caribbean themed buffet at the Reefpoint Brew House. The tropical theme was enhanced by creative decorations by Gayle Ritter and helpers. Guests enjoyed catching up with friends, sharing their pre-event adventures while listening to the sounds of a steel drum band. Over 300 people registered for various Meeting and Show events.

Thursday's activities started early with the launching and docking of over 100 water display boats. Some from as far as away as Washington, California and New York made the journey. Over 20 different vendors began filling in the vendor area. ACBS' annual meeting and Chapter roundtable were held during the day. Meeting notes can be found on the ACBS website.

The day ended with a Tailgate-themed buffet dinner held under the tent at Festival Park. Again, Gayle and her helpers created a sports themed décor (Go Packers! Go Badgers!). Participants took the sports theme seriously as they wore their favorite teams: Seahawks, Cubs, Broncos and of course Packers and Badgers. A surprise visit from the Racing Sausages created some friendly competition as people selected the winner of the sausage race. The tent was filled with people dancing to the music of A Little Bit of Heaven – lead singer is Chapter member, Sue Rechcygl. "Sweet Caroline" was a favorite bringing many people to the dance floor. After the event, guests were treated to a complimentary Kringle from O&H Bakery and a mixed pack of Leinenkugel beer. Only in Wisconsin do we combine Kringle and beer.

Friday was the opening day of the show. A few late arriving boats quickly maneuvered to their slips to be in place for judging. There were many serious faces as judges inspected the boats and spoke with the Captains. About 60% of the boats registered to be judged.

Dinner on Friday was a more serious affair with the Scholarship Auction. Marc Daniloff organized a very efficient and easy to follow silent auction. Over \$9,000 was raised for the ACBS scholarship fund. Roberta Hegy won the bidding for the original oil painting of our show poster. Also, a handmade silk scarf with nautical flags. A perfect accessory for our Chapter's Commodore-elect.

Saturday show opened to warmer temperatures, sunshine and a Veteran's Ceremony. A great way to start the day. The docks and vendor area were full of people enjoying the boats and the weather. Live music courtesy of Reefpoint Brew House made for a relaxing and fun-filled day. Kid's enjoyed

the wood boat painting as did a few adults too! Informative seminars were held throughout the day.

The show officially ended at 4 p.m. with many of the boats pulling out at that time. Saturday night's award dinner moved quickly as many of the awards had been presented during the day. You can find the complete list of award winners on the ACBS website. ACBS wrapped up their activities and the Michigan Chapter presented their venue for the 2018 Annual Meeting and Show at Port Huron Michigan.

Sunday was the final day of duty for the Show Committee with teardown and pack-up. A few Chapter member pulled their boats on Sunday – enjoying the short, brisk, wavy ride on Lake Michigan to the Municipal docks. Some called their ride, heart-stopping but in the end enjoyable.

The show was highly praised for its organization, venue and hospitality shown by Glacier Lakes Chapter members and Reefpoint staff.

NOTES OF THANKS FROM ATTENDEES

We both want to thank you for the great meeting you put on. Know that these shows take a lot of work and people.

Saw a lot of your state and enjoyed it.

A big thank you to all the workers, they made everyone feel at home.

Mary Keating -Sue Mason.

*To Members of the Glacier Lakes Chapter:
A note of thanks to you for your vision and efforts into the 2017 ACBS Annual Meeting. What a wonderful event it was. The fun gatherings, the great organization, your warm hospitality provided for a delightful time for all.*

What a great club this is, and memories will be shared from this event moving forward.

*Sincerely,
Gail Turner*

Past President of ACBS 2010

Pre Events

I wanted to thank you and your entire chapter for making our first real ACBS event such a wonderful experience. The events set up were great, the amount of assistance could not have been better. And, to add, that I could eat without worry! For the MacBay's first rough weather, we knew we were safe

I am not sure what else to say, other than we have been home for a week and are still talking about it!
