JANUARY BOAT SHOW PLANNING MEETING

Sunday JANUARY 8, 2023

Delafield Brewhaus Business Meeting 10AM Downstairs

coffee-juice provided

Lunch 12 Noon upstairs

SEE PAGE 4 for details and schedule

It's hard to believe that summer has come and gone, boats are winterized, and we are fast approaching the holidays. It was a great summer with many wonderful local and far distance events.

Thank you to all the event organizers and supporters for putting on all of the amazing events, and thank you to all the show participants for bringing your boats. That's why we're all here...the boats! Attendance was up at all of the events and good times were had by all.

We met on October 30th for our annual fall meeting and election of officers at Seibkens resort in Elkhart Lake. Thank you to everyone that attended. We held a brief meeting, elected officers and then were treated to a presentation by Kevin Cullen. Kevin is the Assistant Director and Head Curator at the Wisconsin Maritime Museum in Manitowoc. He shared a brief history on the Gato Class submarine "Cobia" as well as for updates and repairs of the vessel. He also talked about the museum's large collection of Wisconsin built watercraft. We are in the planning stages of a possible event to view the collection.

The next club gathering will be on January 8th at the Delafield Brewhaus in Delafield. We will be discussing and planning for the Milwaukee Boat Show, which will take place January 20-29, 2023. Everyone is invited! If you have a boat or motor, inboard or outboard, that you would like to share, the Milwaukee Boat Show is a great event. Please join us and volunteer in the Glacier Lakes booth. It's a great opportunity to chat with other antique and classic boaters and get the word out about our organization.

This issue of our newsletter will be the last printed version sent to your mailbox. Going forward we will be switching to an online, digital version of our newsletter. We will continue to reach our membership by email through the ACBS portal which we have been doing for many years. If you don't receive group emails from us please confirm your email address is correct with ACBS at www.acbs.org as this will be our main form of communication. Be sure to check out "Glacier Lakes Chapter of Antique & Classic Boats" on Facebook where you will continue to see updates and posts of current events.

Do you have a project or pre-project boat tucked away somewhere waiting to be finished? I urge everyone to make 2023 the year that you pull it out. I know we all love to check out the perfectly restored boats, but who doesn't love to see the user boats? I know I do! Get them out! Bring them to one of the many shows we have, let's pack the docks and parking lots of every show! Our hobby depends on it! See you on the lake!

GLACIER LAKES CHAPTER OF THE ACBS OUR MISSION:

To promote the preservation and enjoyment of antique, classic and special interest watercraft of all types, both powered and non powered by:

- To bring people together with a common interest in historic, antique and classic boats, sharing fellowship, information and experience.
- To protect the heritage of boating by promoting preservation and secondly, the restoration of historic antique and classic boats.
- To promote, further and encourage a love and enjoyment of all aspects of historic, antique and classic boating.
- To serve as a communication channel for membership, the public, and other entities regarding information relating to historic, antique and classic boating.
- To serve as a clearing house and referral service for all information relating to historic antique and classic boating.
- To serve as the governing body and parent organization for such chapters as shall be formed and created under our auspices; including providing support for and communicating with these chapters.
- To inspire and support quality boat shows and related events among our chapters.
- To establish and maintain standards for classifying boats and conducting boat shows.
- To educate our membership and the general public concerning safety and protocol as it relates to historic, antique and classic boating.

LR Cullen, Kevin (SPEAKER),
Bill & Sarah Freyman and Mark Asbury

**Fall Membership Meeting
Glacier Lakes Chapter
Sunday, October 30, 2022
Siebkens Resort, Elkhart Lake, WI**

Present: Joan Anderson, Lars Anderson, Mark Asbury, John Baas, Gary Berg, Scott Bruesewitz, Kevin Cullen*, Lisa Evenson, Nancy Feichtmeier, Bill Freyman, Sarah Freyman, John Frisch and spouse, Cara Gaitens, Greg Gaitens, Richard Hegy, Roberta Hegy, Adley Holdmann, Bennett Holdmann, Dan Holdmann, Eli Holdmann, Laura Holdmann, Brian Irwin, Judy Kearns, Brian Kramer, Lisa Kramer, Jane Larson, Nathan Peters, Robert Roberson, Veronica Roberson, Jack Schneiberg, Donna Schneider, Howard Schneider, Amy Simonson, Bob Stoltz, Mary Vidal, Wil Vidal.
*Featured Guest Speaker

Commodore Dan Holdmann called the meeting to order at 12:29 p.m. Siebkens's Resort in Elkhart Lake hosted.

Secretary Brian Irwin presented Minutes from the 2021 Fall Meeting held online Wednesday, October 20, 2021. Hearing no corrections or additions, Jack Schneiberg motioned for acceptance. John Baas seconded. All present approved the Minutes from the Fall Meeting of 2021.

Treasurer Nancy Feichtmeier reported the Chapter's finances were slightly higher in 2021. Little revenue has been generated and our charitable contributions greater than any interest created on the balance. Howard Schneider suggested that a portion of savings be invest-

ed into a Certificate of Deposit. Nancy agreed that is worth investigating. Dan Holdmann motioned for acceptance of the Treasurer's Report and Jane Larson seconded. All present approved the Treasurer's Report.

Membership Chair Gayle Ritter provided an update to Vice-Commodore Bill Freyman, who stated the total membership is 166. Welcome new members: Rob Cowan, Hiram Handerheiden, Tom Knuteson, Michael Pierce, David Quirsfeld, Robert and Veronica Roberson, Kevin Roos, Sr., Steve Schielke, William Sheahan, Greg Uhen, Nick Verette and Dave Webster. Tally ho!

Vice-Commodore Bill Freyman shared the Events Committee's goal to create events enabling member participation across the state. Bill differentiated between "sponsored" and "endorsed" events, noting there are five events sponsored by the Chapter. He welcomed feedback from Members which shared, in order of preference, event attendance based on 1) Location 2) Cost and 3) Scheduling. Members also desire an event to be held at Pewaukee Lake again. Additionally, seminars offering the female perspective are needed. Wil Vidal shared that John Baumann is organizing Chapter participation at the Milwaukee Boat Show 2023, and a planning meeting will be held January 8, 10:00 a.m. at Delafield Brewhaus.

CONTINUED ON PAGE 6

Commodore Dan Holdmann provided an opportunity for everyone to stand in turn, introducing themselves and share a little of their boat livery. Following introductions, Vice Commodore Bill Freyman presented the slate of Officers for election, to a one-year term. They are as follows:

- Commodore, Dan Holdmann
- Vice Commodore, Bill Freyman
- Secretary, Brian Irwin
- Treasurer, Nancy Feichtmeier
- Membership Chair, Gayle Ritter

Roberta Hegy motioned for acceptance of the Proposed slate with Jack Schneiberg seconding that motion. Members unanimously accepted the motion voicing ‘aye’.

Commodore Dan next recommended to Membership for election of two-year terms:

- Director 2024, Bob Snyder
- Director 2024, Mark Asbury

Wil Vidal motioned for acceptance of new Directors. (I did not hear who seconded) Membership unanimously accepted the recommendation.

Commodore Dan Holdmann then stated recommendation will be made at the next Board meeting to appoint for one-year terms:

- Director 2023, John Baas (currently open position to be filled by Board appointment)
- Director at Large, Jack Schneiberg (At-Large Directors appointed annually)

Dan recognized retiring Board Member Mary Willis for her dedication and years of service to the Chapter. Commodore Dan proudly announced the 2022 ACBS International Show Awards, ACBS Publication Award Winner to Wil Vidal and our Chapter publication “At The Waterline” in Medium-Sized Chapter Publications. Matt Byrne received 2nd Place Overall in 2022 ACBS Website Awards as Webmaster. Kudos to all!

Commodore, Dan Holdmann welcomes members and guests

Vice Commodore, Bill Freyman introduces speaker Kevin Cullen

Kevin Cullen shared a brief history of the Museum, speaking to the history of their Gato Class submarine “Cobia” built in Groton, Connecticut and efforts to actively preserve her.

Wil Vidal spoke of the personal dedication found in our 2022 GLACBS Chapter President Cup award winner. This individual was single-handedly responsible for arranging use of the Pewaukee Yacht Club beginning in 2005 – always featuring food and festivities, co-chairing the Pewaukee Show from inception, to arranging the shop tours, seminars and workshops enjoyed by many from 2016 onward. Finally, successful negotiation in selling the Chapter pier system to the Village of Pewaukee. The 2022 President Cup award is deservedly presented to Bob Stoltz who said, “It’s all the volunteers (of the Chapter), you are what make it work.”

Following reports, election of Officers and recognition, Commodore Dan Holdmann invited all Members to dine on the wonderful buffet presented by Siebken’s Resort.

At 1:46 Bill Freyman reconvened our Meeting and introduced Kevin Cullen, Assistant Director and Head Curator of the Wisconsin Maritime Museum in Manitowoc, WI. Mr. Cullen shared a brief history of the Museum, speaking to the history of their Gato Class submarine “Cobia” built in Groton, Connecticut and efforts to actively preserve her. He continued sharing a broader view of the Museum’s outreach which includes, but not limited to: current exhibitions, multi-pronged sensory awareness reflected in art interpretations, the geological history related within a marine context and indigenous peoples as well as the current landscape and “Catch of the Day”. Looking to the future, plans include a “Maritime Plaza and Heritage Garden” which renovates and improves the current off-site storage facility. More information can be found at www.wisconsinmaritime.org

Commodore Dan motioned for adjournment at 2:22PM, seconded by Bill Freyman.

THE FIRST ANNUAL ALL HANDS BOATWORKS' HANDS-ON BENEFIT

On Thursday, October 20th from 5-8pm, “*All Hands Boatworks*” held their **FIRST ANNUAL ALL HANDS BOATWORKS' HANDS-ON BENEFIT**

By Wil Vidal

There were an estimated 125+ attendees to this first ever event. Add to this, plentiful tasty hors d'oeuvres to please everyone's appetite. The initial ticket purchase included beer, wine, soda and water.

The purpose of the **HANDS-ON** evening was to raise critical funding for *All Hands Boatworks* programs so that young people can continue to develop valuable skills, confidence, and mentor support necessary for success in their education, careers, and communities for young people, ages 10-22.

An anonymous donor offered a matching challenge up to \$10,000 over and above the other silent and live auction items.

CONTINUED ON PAGE 10

THE FIRST ANNUAL ALL HANDS BOATWORKS' HANDS-ON BENEFIT

Before the auction, attendees were able to visit the various activity stations to:

- Build a toy sailboat
- Build a wooden tote box
- Help build a paddle or rowing oar
- Take the aluminum boat golf ball challenge

Everyone enjoyed the shop activity stations. *Steve Chamraz, primary news anchor at TMJ4 and host of Milwaukee Tonight hosted the Live Auction.*

Steve was great to meet and he drew a lot of enthusiasm from everyone. A boat being built by Jane Larson’s “LadyBuilders of Boats” was auctioned off for over \$2,000.00. (see at the Waterline April-May-June 2022)

Auction items included:

a boat build, contractor grade power tools, a toboggan build, Harken Tour and Lunch with Founder Peter Harken, and CEO Bill Goggins. Other items on the auction block included Christian Yelich plaque, jersey, Giannis Antetokounmpo jersey and boat show framed posters to mention a few.

The \$10,000 match was reached, giving AHB \$20,000 over the live and silent auction bidding.

Altogether, from tickets, a live and silent auction, and an anonymous donor who matched up to \$15,000 in a lively paddle-raise, the

AHB community raised just over \$45,000 for their many youth programs! As founder Bill Nimke said, “the event was a huge success and a fun event”.

One cannot say enough about The Founder, President Bill Nimke. AHB was incorporated in the State of Wisconsin on May 24, 2013, following a “pilot program year” at three Milwaukee-area schools. Other founding Board Members were Robert “Robo” Brumder and Lynn Rix.

Bill is the engine making AHB a very successful program.

Mission & Vision of AHB

All Hands Boatworks, Inc. (AHB) exists to build the capacities, hopes, resilience, and goals of Milwaukee’s youth through wooden boatbuilding projects, work-based learning experiences, and on-the-water activities. AHB teaches the craft of wooden boatbuilding to support positive youth development, STEM understandings, and workforce preparation, while also learning about Milwaukee’s fresh-water assets – our rivers and the Great Lakes.

AHB envisions an inclusive, maritime community that is a safe harbor for Milwaukee youth and a vibrant hands-on learning center that values craftsmanship, supports personal growth, and connects us with our rivers and lakes.

AHB’s website spells out The Mission and Vision.

AHB’s programs are guided by the research and practices of Swedish Sloyd Education Theory, which makes a strong correlation between handcrafts and cognitive development to advance the educational, social-emotional, and skills capacities of youth.

Bill Nimke has the talent to bring everyone together for the good!

We Took the Dog to the Vet and came home with a boat

by John Baas

Enzo isn't sure if he likes it yet

Took the dog to the vet and came home with a boat. Well, maybe not just that fast but almost! On the way to the vet, the main road there was under serious construction with back ups for miles. I told my wife, Pam, that we won't be coming home this way. Good thing for alternate routes. Except...after the vet appointment I missed the turn to my alternate route home. Huh...good thing I have an alternate to the alternate. The cosmos was guiding the truck to this alternate to the alternate for a reason. Committed to a left turn at a busy intersection, my peripheral vision caught something on the lawn of a house to the right. The brain began processing the image as I made the left turn away from the "something". A quarter mile down the road I made a u turn, saying to Pam, "I gotta check something out." Getting closer now, I see the Coke bottle green three-piece windshield and side windows. And that sliding hardtop! Yes, the brain's processor was right. An AristoCraft 19!

We've owned 4 wooden boats over the years, you might remember the Middy Mae Chetek lapstrake and the Chetek Fly-in and boat show. Then there was the urban river cruising story with the Correct Craft Atom Skier on the Milwaukee River system. For a number of reasons, the wood boats were all sold off. And now, I'm looking at a PLASTIC boat?!

Something about the roofline matching the slope of transom and the center section of the windshield makes this boat a classic glass. And my wife Pam liked it!

CONTINUED ON PAGE 13

at the Waterline PAGE 12

(Mr. & Mrs. Meant 2B)

It's a 1972 model with the GM 165hp straight six and Mercruiser outdrive. Comes complete with a working ship to shore radio. With the help of master mechanic ACBS Glacier Lakes Chapter's Mark Willis, we got her running. Having sat in storage for 22 years, a number of things needed attention. Some still do. It's comforting to know I can pick up the phone and talk to Scott Turner at AristoCraft and get guidance on how to do what I don't know how to do.

We've enjoyed a few outings so far, including on the Milwaukee River where we ran into its twin! Same year, same color!

Milwaukee River Cruise

"Meant 2B" at the pier

(Buddy Jim got the hard top a slindin')

AristoCraft stopped making the 19 in 1980, returning to manufacturing some of the coolest looking wood outboards anywhere.

DOOR COUNTY Classic & Wooden Boat Festival

Photos by Jane Larson and Bill Freyman

Door County Classic & Wooden Boat Festival

By Bill Freyman

When was the last time you had the opportunity to examine a home-built two man research submarine at a local boat show? This year's Door County Classic and Wooden Boat Show gave visitors that chance last August. Kevin Cullen, the Assistant Director of the Wisconsin Maritime Museum, accompanied by his family brought the Richard Bennett built submarine to Sturgeon Bay and amazed visitors who discovered what two summers of work and \$28,000 can produce.

Bennett, a retired scuba instructor from Wauwatosa, constructed the sub to go shipwreck hunting in Lake Michigan in the 1980's. He was particularly interested in the rumor of Confederate gold lost in a wreck off Poverty Island. He searched long and hard, but with no luck. Quite a story. It was one of many told by the vessels that attended this year's show. That's what makes the Door County Maritime Museum's show unique- the focus is on the stories behind the boats as well as the boats themselves. It's all about our boating heritage.

This year's show was well attended with 54 registrants displaying everything from a nineteenth century ship in a bottle to the research sub to a glorious Streblov. There were boats whose restorations were barely underway; beautifully homebuilt sail, row, and powerboats; and gorgeous wooden and fiberglass classics. In addition, the show featured its annual Boathouse Sale of used marine hardware, equipment, books, and decorative items. There were kids activities sponsored by the Museum and Green Bay's Hands on Deck. On Saturday evening, the Door County Symphonic Band played a tribute concert for the US Coast Guard on the waterfront. And of course there was the fun Sikaflex Challenge boatbuilding contest.

As usual, we had a chance to use our boats, too. Those of us who could, attended Friday's pre-event Bay to Lake Lighthouse Cruise. The weather was perfect and

CONTINUED ON PAGE 15

DOOR COUNTY Classic & Wooden Boat Festival

CONTINUED FROM PAGE 14

we were able to complete the entire route from the Museum to the Sawyer Point Lighthouse on Green Bay to the Coast Guard Station on Lake Michigan and back. Afterwards, we were treated to pizza and drinks to top off the evening. On Saturday, after the band concert, the fleet set out again for a relaxed evening's boat parade around Sturgeon Bay. It's good to get the boats out on the water.

Saturday evening brought fireworks to the event, both man-made and those provided by Mother Nature. Sturgeon Bay's Fourth of July celebration was rained out, so the city fired off its display on Saturday evening. It was a good show. Later, Mother Nature moved in and lit up the sky herself dumping plenty of rain overnight.

Sunday proved to be a drizzly day, but it didn't dampen the enthusiasm of the crowds, which were big all weekend. Many attended the second annual Bloody Mary Social sponsored by Destination Sturgeon Bay. Later, 500 folks turned out to watch the conclusion of the Sikaflex Challenge when the boats and their creators finally took to the water. As usual, it was zany with several sinkings and plenty of entertainment.

Glacier Lakes Chapter members were, as usual, active in helping the show succeed. Not only did members display boats, but they offered boat rides to the public, encouraged the boaters to get to know one another by providing the Boaters' Lounge- tents for the exhibitors to visit. And members met the general public providing information about ACBS and the Chapter. Several of our members were awarded special recognition this year, too.

The 2023 show is scheduled for August 4, 5, 6, 2023. There will be plenty of dock space provided by Skipper Bud's Harbor Club Marina and all sorts of room ashore, too. Watch the show's website for the latest information.

2022 ACBS Antique & Classic Boat Show-Burlington, Vt

EVENT SCHEDULE

TRAVEL September 3 to September 4

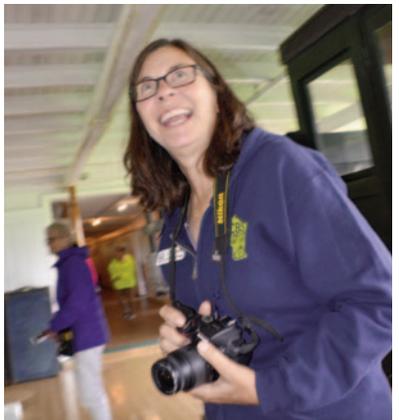

Mary and I picked up Howard and Donna Schneider in Muskego, WI Saturday morning, September 3 at 7AM. We traveled around Chicago, a 1,000 mile trek. Because we were traveling Labor Day weekend, we knew it might be difficult to find a motel Saturday evening. On our 3rd try, we were able to find a Budget Inn in Farmington, NY. That night we found an excellent Italian Restaurant for dinner. After a McDonald's breakfast Sunday morning, we were off. Getting into the State of Vermont, we found ourselves on winding roads, up and down hills, all which were very scenic. We arrived in Burlington at about 2PM on Sunday September 4. We stayed at the Hilton, Burlington, VT. Somehow we lucked out and got a room overlooking Lake Champlain. Vermont population is 624,000. City of Burlington, VT population is 42,000. What a beautiful city, with The University of Vermont, and the old buildings. The first night, we had dinner at a local pub. What a great fun experience.

Monday Sept. 5th - Shelburne Museum Tour, Shelburne, VT

Monday was spent at the Shelburne Museum, the largest art and history museum in northern New England and Vermont's foremost public resource for visual art and material culture. It all started with a guided tour of the steamship Ticonderoga, built in Shelburne in 1906. There was a special presen-

at the Waterline PAGE 18

CONTINUED FROM PAGE 18

tation by Chip Stulen, the Museum's director of preservations. Other chapter members attending the event were Jane Larson and Gary Berg and Glen and Carla Schubert from Madison, WI.

That evening The Lake Champlain Chapter held the Welcome Reception at "Spot on the Dock". This location, on Lake Champlain, down and across the street from the Hotel was once the old ferry dock snack bar.

**Tuesday Sept. 6th -
Tour and Lunch in Essex, NY**

Nestled in the hills on the western shore of Lake Champlain, Essex, New York has been listed in its entirety on the National Register of Historic Places. A prosperous 19th century lake port, the hamlet became frozen in time, filled with Greek Revival and Federal architecture, which the town has gone to great lengths to preserve. We took the Lake Champlain ferry, a 20 minute scenic trip from Charlotte, VT. After a buffet lunch at the Lakeside Old Dock Restaurant, we enjoyed a walking tour through the historic village of Essex, NY.

**Wednesday Sept.7th-
Lake Champlain Maritime Museum Tour**

Howard, Donna, Mary and I drove to the Lake Champlain Maritime Museum. We saw some of the most interesting agricultural landscapes in the Champlain Valley. We viewed the first exploratory dives on shipwrecks, including Spitfire, one of the gunboats that defended our fledgling nation under Benedict Arnold in the fall of 1776. We visited the conservation lab to see amazing artifacts from the lake's bottom. After the tour, we were treated to a delicious buffet lunch at the Basin Harbor Resort followed by a presentation by Art Cohn, director emeritus of LCMM.

Wednesday Sept. 7th- EVENING

ACBS International kicked off the Annual Meeting and International Boat Show with a welcome reception Wednesday evening at the ECHO, Leahy Center for Lake Champlain, Vermont's science and nature museum on the Burlington water-

Howard and Donna Schneider and Mary Vidal on tour

We took ferry to Essex, NY from Burlington, NY

CONTINUED ON PAGE 20

CONTINUED FROM PAGE 19

front. A local farm to table company that grows much of its own produce on their 3-acre farm provided hearty appetizers to attendees.

Thursday Morning and Afternoon Sept. 8th

ACBS held a Chapter Round Table in the morning asking attendees how ACBS can help their individual chapters. Ed Andrews of ACBS has held a number video sessions, reaching out to chapters for input. The Annual Meeting was held after the round table.

Thursday Sept.8th -

Dinner Cruise hosted by LCACBS

All enjoyed a ride on the “Spirit of Ethan Allen”, a modern, triple deck, luxury tour boat. We experienced views of the Green Mountains and the Adirondacks from the middle of the broad lake. Everyone witnessed a beautiful sunset over the Western shore.

Friday Sept. 9th to Saturday Sept. 10th- ACBS 2022 International Boat Show

On Friday and Saturday Burlington's waterfront came alive with the International Boat Show with boats on display at the *Burlington Harbor Marina* and the *Burlington Community Boathouse Marina*. See Fall Rudder magazine for the winners.

Friday Sept. 9th-EVENING -

ACBS Annual Scholarship Auction & Dinner

This event raises monies for the ACBS Scholarship Endowment Fund, from which ACBS awards annual scholarships to students at the most highly regarded boatbuilding schools across the country. Helping preserve vintage boats by teaching the next generation. It included a Silent Auction.

Saturday Sept. 10th-EVENING - ACBS Annual Awards Banquet

The Awards Banquet was held in the Adirondack Ballroom at the Burlington Hilton. See fall Rudder for winners. **Matt Byrne** won the Best Website Award and “*at the Waterline*” won for Medium sized chapter newsletters.

Glen and Carla Schubert on sunset dinner cruise on the Ethan Allen. At table, left to right, Ann De Boer, Linda Kirk, Glen Schubert, John Hanks, Richard De Boer, Mary Amsbaugh and Carla Schubert.

ACBS friends with Mary: Norm and Kathy Kitching, California, Lance Wilson, Canada, Terry Hoffman, Lake George, Tim and Teri Bush, California
