Summer is here and the boating season is now...

Mary and I just got back from 3rd Annual Eagle River Antique & Classic Boat Show held at The Wild Eagle Lodge. A special thanks to Carl and Charlene Wussow for their tireless efforts as Show Directors and Jo Daniel, Events Coordinator at Wild Eagle Lodge. All the funds go towards the Special Olympics program in the Eagle River Area.

This newsletter is getting out a little late because we were trying to tie up loose ends for the Pewaukee Boat Show. As one of the committed members put it, we were under a little "pier" pressure. Drum roll to the rescue: Jeff Spence of MOD-U-DOCK and Larry Chapman of Summerset Marine will help provide piers for this first ever event at the Pewaukee Lakefront. There will be a cost. We will be putting out a program book to be distributed at the show. We are in the process of selling area retailers. Would you like to help? Give me a call at 262-695-2994. In putting this together, everyone has been very cooperative and helpful from the Village of Pewaukee, to Park and Rec, The Chamber of Commerce, Positively Pewaukee and the DNR. Many committed members have been working behind the scenes to make it all happen. The Boat show committee hopes you can make it. We're also looking for volunteers.

You'll find additional information on upcoming boat shows inside: Steve Bunda is putting together his first Lake Lucerne One Day Rendezvous, Sat. July 14th. The Blackhawk Chapter's 23rd Antique and Classic Boat show is Sat., July 21. The Minocqua Show is July 27-29. The Madison Show has added a pre-event cruise on Friday September 14th. There will be a special tour of lakes...a must do event. Maybe we'll see the Governor. Of course, the Great Blackhawk Chapter Geneva Lakes Boat Show is September 28-30, 2007. This is always a great event.

On a final note, ACBS International will have their quarterly meeting in Milwaukee, June 25, 26, 27 and 28, 2008. It will be hosted by Blackhawk and Glacier Lakes. More information will follow.

Enjoy your summer, and we'll see you on the water

Commodore
