GLACIER LAKES CHAPTER

VOLUME 9 ISSUE 1

January/February/March 2012

## The tall ships are coming to Milwaukee..you are invited!

Jeff Phillips, Marine Operations Manager of S/V Denis Sullivan and Discovery World contacted us to see if we would be interested in participating in a celebration of The War of 1812. It will take place August 10, 11, 12, 2012.

In addition to an Air Show that weekend, the U.S. Navy will be in port with about seven vessels. Up to five Tall Ships will also be part of the celebration. This will be part of the annual Milwaukee Air & Water Show. The difference is that The US Navy has chosen Milwaukee to be one of 16 American Cities taking part in the commemoration of the bicentennial of the War of 1812. Milwaukee's part in the festivities will be August 7-12. Many activities are planned for the week.

Jeff Phillips said he is working on dockage slip arrangements to accommodate up to 28 antique & classic boats at Discovery World plus an area for a land display of boats.

Jack Schneiberg contacted Mark Svoboda, President of Blackhawk to see if they would like to partner for this event. Mark checked with the Blackhawk board and membership and they said they would love to get involved with this unique show.

Our part will be Saturday and Sunday August 11 and 12. The boats would arrive on Friday, August 10. You will be kept informed as the plans take shape on Discovery World's side. Hopefully more details will be available at the spring meeting and banquet.

Natalie D'Amato, Lance Ehrke's grand daughter shares boating information about "Lilly" to a visitor at The Milwaukee Boat Show in January. Lance Erhke built this electric powered runabout for his grandchildren to putt round in. Along with Natalie, "Lilly" drew a lot of attention at this year's show. See story starting on page 5

**Glacier Lakes Chapter  
 SPRING MEETING  
 Friday April 20th  
 with special guest speaker  
 at  
 The Delafield Brewhaus  
 SIGN UP ON PAGE 3**

It seems as winter has been toying with us here in Wisconsin. A snowflake here and there; a cold blast of northern wind.....and then temperatures back in the 40's; How's a person supposed to feel sorry for themselves locked in tight when spring keeps teasing us right out of the chute in January?

But January in this part of the state means the annual Greater Milwaukee Boat Show. And, our chapter always has a great presence there. We are honored to be asked back and it is because we put on a great display and draw a lot of boat show visitors to our vintage and classic boats. While our display of boats has traditionally been one of wood boats, I'd really like to see one of our members step up with some "classic glass" in January of 2013.

Thanks and special gratitude has to go to John Baumann who has chaired this event for a number of years now. Once again, John and a contingent of volunteers were there to staff the show. We answered questions, talked about our boats, changed the video in the VCR and handed out applications to join our chapter. I managed to make it to Thursday set up day, and again on the opening Friday and then came down with a bout of the flu that kept me away from the show a good part of the following week. It's great to experience winter in Wisconsin. With the exception of set-up day and the opening Friday, we even managed to evade sub-zero temperatures and mounds of snow. Be sure and read the article in this issue for details.

Spring, and the boating season is just around the corner. I've had a special request from Dick Werner, past President of ACBS to put together a workshop in our area. The concept is this: We gather at somebody's shop to discuss and perhaps even put some "hands on" time to see what's involved in maintaining and restoring our boats. This does need to be limited to the usual wood working skills, or varnishing skills – but could include engine maintenance, fiberglass repair, or perhaps a session in what we need to know about upholstery work. I'm looking for volunteers.

Basically what we need is someone with enough space to accommodate 15-30 people and a little expertise in one of the aforementioned fields. As I see the day unfolding, we would gather at 8:00 or 9:00 in the morning and whoever is leading the workshop would give a short talk on the topic of the day. At this point, we can open the forum for questions and follow-up with some practical – even hands on experience. This whole experience can be an open forum. Let's face it; what happens at these gatherings is we get a bunch of "boat guys and gals" together and we talk boats, experiences, and dream a lot. Lunch may even be a part of the venue. If anyone out there is interested in putting one of these events together, please give me a call at 262-689-7934, or send me an email at soulwork@charter.net.

Our conversion of the website is still in the works.

For those of you who were not present at our January meeting, I'm happy to announce that we have received tentative approval from the IRS as a 501(c)(3) organization. We still have to file the appropriate tax returns for 2010 and 2011, but I am fairly confident that we'll meet the criteria established.

Think Spring....no, make that "Think Summer". It won't be long and it will be time to crank that motor for the first time and dump the "Old Gal" in the water. Just think about that first run up the lake, or river and hear the exhaust notes bleating. It's coming, you know its coming. Let's put an end to this long winter season of boating "blahs"

# Glacier Lakes Spring Meeting Friday April 20th at The Delafield Brewhaus SPECIAL PROGRAM: Secrets of Great Lakes Ghost Ships

**Kimm Stabelfeldt doing  
a shipwreck dive**

**EDMUND FITZGERALD:** Arguably the most famous ghost ship of the Great Lakes, this ore freighter sank in Lake Superior on November 10, 1975 and all 26 crewman were lost. It is not known fully what happened that fateful night in 1975

**EMPEROR STEAMER:** A diver exploring the ship's wreckage in 1988 saw the ghost of a crewman laying on his bunk, who then rolled over and looked at him, appearing as he would have before the ship sank - then just vanished!

**GRIFFON:** The Griffon set sail from Green Bay into Lake Michigan in September 1678 and was never seen again.

## Welcome to Guest Speaker Kimm Stabelfeldt

Kimm Stabelfeldt holds one of the largest private collections of Great Lakes books and ephemera in Wisconsin and is the author of five popular Great Lakes dive guides. Mr. Stabelfeldt's work has been published in numerous periodicals. He is a Director of the Great Lakes Shipwreck Research Foundation, Inc. which holds the annual Ghost Ships Festival each year in Milwaukee. A certified Extended Tri Mix diver, Kimm Stabelfeldt is the president of Adventure Diving, Inc., a Great Lakes shipwreck dive charter service, and President of DBD Consulting. He holds degrees in Business and Computer Science and is an executive business consultant.

**COCKTAILS: 6:00-6:45 ★ DINNER: 6:45-7:30 ★ CHAPTER BUSINESS: 7:30-7:45  
SPEAKER 7:45-8:45**

**Cost: \$22.50 person - Please Remit your information and check by Monday April 16, 2012**

## THE DELAFIELD BREWHAUS AWARD WINNING RESTAURANT & BREWERY Your Dinner Selection for Friday April 20, 2012

**Strawberry Chicken Salad** Fresh strawberries mixed with field greens & poppyseed dressing. Topped with marinated grilled chicken breast. Choose, with or without the chicken breast.

## GLACIER LAKES CHAPTER LOOSES A GOOD FRIEND LEE PALMER

The Glacier Lake Chapter lost a true friend and passionate antique boat collector on Monday January 2nd, 2012.

Lee Palmer was an an entrepreneur/professional business owner. More importantly, he was a very very nice and kind man. He was an initial cheerleader for having a boat show on Pewaukee Lake. In recent years, Lee contributed many of his treasured collectable items to the boat show ship's store. Mary and I got to know Lee very well when we moved to Pewaukee Lake in 2004. We got to know his first wife Sharon before she passed away from cancer. He met and married Maggie who we also got to know very well.

Lee suffered a debilitating stroke in Florida in the fall of 2010.

He was moved back to Wisconsin to be closer to family and friends and for rehabilitation. He had trouble responding to rehabilitation in spite of his can do attitude about life. Lee always had a kind word about evwryone he met. Just before he died, he said to Maggie that he would be leaving soon. Lee we'll miss you. Someday we hope to see you.  
GLACIER LAKES FRIENDS

## JAY WAGNER ASKS FOR OUR PRAYERS AND SUPPORT

Jay has been fighting Chronic lymphocytic leukemia since 2000. One would never know it with his eternal infectious positive attitude. Jay said he will be getting a stem cell transplant at the time of the show. His sister, Laura Bruederle seems to be a match for him. He's been getting chemotherapy every 28 days.

Judy Wagner is doing the LakeWalk for cancer May 5. It's a fund raising event for cancer research, treatment and education. The walk will take place in Fowler Park located in Oconomowoc, Wisconsin. All proceeds will go directly to the Regional Cancer Center of Oconomowoc Memorial Hospital. This will not be a walk where pledges are made for a certain dollar amount per mile walked. Rather, donations of any size can be made. If you would be interested in sponsoring Jay and Judy Wagner, a check can be made out directly to:

"Oconomowoc Memorial Hospital Foundation - LakeWalk"

and mailed to Judy and Jay at:

Judy and Jay Wagner

N7897 Ski Slide Rd

Oconomowoc, WI 53066

"OR" you may go to [www.lakewalk.org](http://www.lakewalk.org) and "Sponsor Walker", First Name: Judith, Last Name: Wagner, and make a donation.

Jay and Judy would ask that if you are considering a donation, please have your checks or cash to them by May 2, 2012, so they may turn them in the day of the walk.

This year, Jay's journey includes more chemotherapy followed by a stem cell transplant. The chemotherapy is at Waukesha Memorial Hospital and the stem cell transplant is at Froedtert Hospital in Wauwatosa, WI. If you would like to follow Jay's journey, sign on to [caringbridge.org](http://caringbridge.org) - website name is jaywagner.

They thank you very much for your consideration. The donations collected will be in memory of Judy's Mom who passed away in 2008, her Aunt who passed away in 2000 and, her cousin who passed away in 2009, and all family and friends who are Cancer Survivors and the one's still fighting the battle.

# Milwaukee Boat Show, State Fair Park January 20th-30th

*Story provided by Jack Schneiberg, Photo's by David Doyle and Wil Vidal*

The Milwaukee Boat Show held at State Fair Park was another successful event for The Glacier Lakes Chapter. Thank's to John Baumann for once again putting it all together.

Thank you to the following for bringing their watercraft:

- 1) **Tim Mason** with his rare 1939 19ft Deluxe Century Sedan, "Relic". Tim brought his boat all the way from Madison, WI.
- 2) **Don Anderson** of Brightwork Boat Works with his 1955 Chris Craft 19ft Riveria, "The Capitol" delivered from Madison WI
- 3) **Lance Ehrke** "Lilly" Lance Erhke built this electric powered runabout for his grandchildren to putt round in. "Lilly" draws a lot of attention wherever Lance shows it.
- 4) **Mark Willis** displayed his Cal Connell Cadillac Crusader 250HP engine from his recently purchased 1955 Century Coronado.
- 5) **John Baumann's** 1923 Carlton made in Old Town Maine 17ft. It was originally on Pine Lake.
- 6) **Walter Wilde's** 1957 Dunphy Sunfish. Walt is looking for a white and gold Johnson Javelin to replace the newer Mercury. This boat was in storage for many years and Walt recently acquired it from the estate of Frank Petran – one of the founders of the Glacier Lake's ACBS Chapter.
- 7) **Ken Bourgeois** Sailing skiff Tom Forecki and I constructed our El Toro class sailing dinghies in 1984. Launched in 1985. They were constructed of air craft grade ¼ inch mahogany play wood. All structural members are also mahogany. The mast and boom built from laminated Sitka spruce. Entire boat finished in West epoxy system and clear varnish. Sail by North.

LR Walter Wilde, Jeff and Linda Allen, Roberta Hegy, Jim Staib, David Doyle and John Barmann

LR Gary Rechcygl, Walter Wilde, Chad Rechcygl and Sue Rechcygl

LR Marc Daniloff, David Doyle, Jay Wagner, John Baumann, Walter Wilde and Wil Vidal

at the Waterline PAGE 5

8) **David Doyle** brought two beautifully restored Schwister Crafts: 1970's cottage racer and a 1953 Switzer Craft Baby Bullet

9) **Wil Vidal's** 1940 Chris Craft U-22 "In The Mood"

The following Glacier Lakes members did setup on Thursday, January 19: **John Baumann, Wil Vidal, Jack Schneiberg, David Doyle, Mark Willis, Walter Wilde, Jeff Allen, Tom Forecki, Tom Sellhausen and Gary Rechcygl.**

The following staffed the show for the 10 day run: **Walter Wilde, John Baumann, Dale Carle, Helen Petran, Colleen Hogan, Brian Kramer, Tom and Diane Forecki, Ken and Gerda Bourgeois, Howard and Donna Schneider, David Doyle, Rich and Roberta Hegy, Marc Daniloff, Mark and Mary Willis, Jeff and Linda Allen, Jack Schneiberg, Lance and Sue Ehrke** along with their granddaughters, **Natalie and Sofia D'Amato.**

These Glacier Lakes members pulled extra duty above and beyond the call of duty: **Walter Wilde, John Baumann, Roberta Hegy, and David Doyle.**

A special thank you to **Jeff Spence** of **ModuDock** for providing the pier setup for the show. It set the stage for another great presentation at the Milwaukee Boat Show.

A number of Glacier Lakes members visited the booth including **John and Amy Zea and Wayne and Elizabeth Yankala and Todd Schultz.**

**Karl Johns** wasn't able to participate in this year's show because of some health complications that put him in the hospital. The good news is that he is back to 100%.

# The 8th Annual Wild Eagle Antique Boat Show & The first Antique Total Transportation Meet May 25-27

You are invited to take part in the most unique transportation meet in Wisconsin and the Midwest! The first Annual Eagle River event for owners of antique and classic transportation for land, air or water is now open for registration. The meet will draw classic, antique and special interest owners of boats, cars, horse drawn, cycles, float planes, snowmobiles and more!

For the past 7 years, the Antique and Classic Boat Show has been held in Eagle River on the famous Eagle River chain of 28 lakes. Show participants and visitors suggested that the event could be expanded to include many other forms of transportation. With that encouragement, this year's show reflects an entirely new focus.

The famous Wild Eagle Lodge will be the site for the show scheduled for May 26th, 2012. The event will be held on the grounds of the Wild Eagle Lodge on Duck and Lynx Lakes. The location is unique and simply outstanding for the public and boat owners. Newer docks, expansive land display areas and beautiful grounds provide a background that is simply matchless.

The Friday portion of the event is exclusively reserved for meet participants. A special "ride-swap" event will provide the opportunity for owners and their families to trade rides between registered members of the meet. Classic and antique boats will tour through several lakes on the chain. Automobiles will tour to a nearby petroleum museum, horse and buggy units will travel scenic forest road. A rolling parade will be scheduled through the historic streets of Eagle River, only 2 miles from Wild Eagle Lodge. In all, riders will be able to enjoy a range of different modes of transportation and camera ready fun.

The Wild Eagle Lodge facilities will be the headquarters for the meet and a special exhibitor rate has been established for those who wish to stay on the grounds, is available. There is ample free parking, free storage for trailers and assisted launching at the Wild Eagle Lodge. Saturday will be reserved for public displays. Hundreds of interested spectators can enjoy the assembled transportation display, chat with proud owners and stroll the beautiful show areas and park-like setting for the event. Owners and the public will select trophy winners from various transportation categories.

Some other special displays will be open for those who would enjoy showing float planes, motorcycles, tractors, historic bicycles, stationary engines or any other related machines or vehicles. Most important is the fact that proceeds from this event will go to the area's Special Athletes and their sports programs.

Please complete your registration form and take part in this very special event.

Schedule of events:

## Friday, May 25

- 9:00AM Registration: Boondockers at Wild Eagle Lodge complex  
10:00 - 1:00 Boat tours and ride swaps arranged with skippers at the docks.  
12:00 1:00 Dutch treat lunch: brats, dogs, soda, chips hosted by the Special Olympic group from the community.  
1:00 - 4:00 Land tours:  
Automobiles - ride swaps arranged with drivers heading to the Petroleum Museum.  
Horse and buggy ride swaps arranged with owners.  
4:30 - 5:00 Eagle River parade. Ride swaps arranged with drivers.  
6:00 - ? Boondockers pizza and pasta party with all participants. A fun chance to share stories, restoration tips, wild tales and humor with everybody.

## Saturday, May 26

- 9:00 - 5:00 Public show. Cars displayed throughout the grounds; boats at docks and a rare chance to see the very first snowmobile ever built in the world! Horse and buggy displays and motorcycle and any other special transportation units on display.  
6:30 No host cocktails at Boondockers.  
7:30 Catered dinner; pre-purchased tickets required at Boondockers. Awards, door prizes and a special transportation program will highlight the evening.

## Sunday, May 27

Assisted loading of any units and boat trailer loading. No other events scheduled. Boaters may elect to spend the day on the chain of lakes and drivers may wish to join on privately planned tours.

# 7th Annual, Madison Area Antique & Classic Boat Show

## August 3rd & 4th, 2012

You are invited to take part in the fourth annual, Madison area Antique & Classic Boat Show. The renowned Christy's Landing Restaurant will be the site for the show on Friday and Saturday, August 3rd-4th. This location is simply outstanding for the public to view these beautiful boats on Saturday. On Friday we will be hosting a tour of the Madison chain of lakes; including Lake Waubesa, Lake Monona, & Lake Mendota (weather permitting). The tour will break for lunch at the Elks' Club Lodge on Lake Monona and include optional stops on Lake Mendota (Governor's Mansion, UW-Madison campus, etc.).

One of the most important aspects of this show is that nearly all of the proceeds will go to Madison's Multiple Sclerosis Society. Last year we donated \$4,500 to MS. Our goal in 2012 is to raise over \$5,000 by receiving donations from the public, area vendors and offering some unique items for sale at the silent auction the day of the show.

Awards will be given in several categories including the Best Chris Craft, Best Century, Best Inboard Motor Boat, Best Outboard Motor Boat, Best Non-Motorized Boat, Best Fiberglass Classic, and of course the "Best of Show". This will also include the public selecting the People's Choice Award Boat.

Please return your registration form quickly, as we are limited to approximately 40 boat slips (entries accepted on a first serve basis). Include a brief history of your boat and a photograph (e-mail preferred) to enhance our boat show program booklet, which will feature all the show participants' boats.

The enclosed Schedule of Events and Registration Form should help answer your questions. If you need additional information, please contact Mark Walters or Andy McCormick via e-mail or telephone (see below). Should you desire lodging, we've listed local hotels on the enclosed map.

**Thank you in advance for your interest and involvement. We look forward to seeing you there!**

## **WOOD BOAT RENTAL**

### **WANTED FOR WEDDING**

Ilan Tordjaman is looking to rent an old wooden boat for his wedding on Friday 7/27 around 5pm. The idea is to transport my bride and myself from our reception location (Villa Terrace/McKinley Marina) to the reception (Harbor House /Discovery world). So a very short ride but hopefully a memorable arrival! He said he would be fairly flexible in terms of compensation.

His private email is:

[ilan.tordjaman@hotmail.com](mailto:ilan.tordjaman@hotmail.com)

Ilan stopped by the Milwaukee Boat Show in January. We said we'd run a notice in the newsletter.

**Santa's Sleigh Ride on Pewaukee Lake Christmas Day December 25, 2011**  
Kevin O'Malley's whereabouts were unknown that day

This past summer Mark Willis of Custom Boat Service found a 1955 Century Coronado in a barn in Door County, Wisconsin. He had the Cal Connell Cadillac Crusader engine from the Coronado on display at the Milwaukee Boat Show. Currently, the boat is in Mark's shop having had the interior, hardware, and finished removed. Mark is contemplating his next move on the Coronado. All that white paint hid a few sins from the previous restoration. Giving him words of encouragement are Jack Schneiberg and David Doyle.

# Tomahawk Pickers

by Jack Schneiberg

This is the story of two guys – Jack & Dave – who travel Wisconsin in a van (my Town & Country) to scrounge for stuff to buy cheap; most of which we didn't know we needed until we spotted it. The concept sounds so good that I'm thinking of trying to sell it to the History Channel.

Baby Bullet in Place

The Antique Outboard Motor Club International (AOMCI) holds an annual swap meet and show in Tomahawk, Wisconsin each year and this was my second visit to the affair. On Wednesday morning, July 27th, we hooked up Dave Doyle's Switzer Craft Baby Bullet to my van and proceed to an area commonly referred to as the "Northwoods". This was to be the Baby Bullet's first outing since the Milwaukee Boat Show at State Fair Park in sub-zero temperatures. So for this trip, the skies opened. And, they stayed open all the way up the center of the state. It rained so hard that when we finally pulled into the exhibition center, there was two inches of water in the bottom of the boat. And, this boat has yet to be in the water.

The event is held at Sara Park in Tomahawk on the Tomahawk River. The park features a long asphalt strip that perhaps at one time served as an airport runway. I can think of no other reason to have a blacktop roadway in a park. The local indoor hockey rink serves as the exhibition center and registration headquarters. The asphalt strip serves host to at least a half-mile of vendors who line both sides and several alley ways off the strip.

The rivers play host to numerous vintage and classic outboard craft of all types and styles. There are race boats and pleasure craft of wood, fiberglass and aluminum. There are Mercury, Johnson, Evinrude, Martin, West Bend, Chrysler, and other odd unknown brands of outboard motors present. The whine of straight racing trumpets and the smell of gas and oil permeate the air.

So having spent an hour bailing out the boat – Several visitors strongly suggest Dave might want to consider a

drain plug – we had the boat dry and the pictures and other memorabilia set out and it was time to start down the strip and see what pickings we could find.

This event is supposed to start on the same day we arrived. As I understand it though, many vendors get there as early as Monday and many parts and cash have already traded hands by Wednesday. The

big visitor day appears to be Friday. The boats and motors are judged and the neat thing is that because many of the boats on display are pulled down to the launch ramp for boat rides, the selection inside the exhibition center keeps changing – so there's always something new to gaze at.

And miles to go before I sleep

There is a leg off the runway just after the exhibition building that houses the boats for sale and the concession tent. Time for a brat; and then off we go ogling all the many parts and pieces set out on vendor's tables. If you need something for your vintage outboard motor – I don't know a better place to start the hunt.

The cocktail hour arrived quickly. Plans were quickly forming for a group of us to meet at Bootlegger's Supper Club on the lake. Which lake escapes me? It was a bit of a drive from our hotel so we decided to go check in and then meet the group. Hale hardy ho's and gin and tonic

waited as we converged on the bar overlooking said lake. I had one of the best steaks I can remember eating in a long time. Fact is – with my dietary restrictions I don't eat steak very often anymore. Among the group was a fellow who is finally going to get my Mark 55 running now that I've installed the

At speed around the buoy.....

rebuilt magneto and wiring harness and if everything goes right – the Century Imperial Sportsman might be ready for water trials in the next week or so.

That steak kept me up a good part of the night and so I was surprised when I felt raring to go the next morning as we drove back to the meet and went on another walking trip up and down the aisles. Dave lined up a few things he wanted to haggle about. We had another lunch of brats and chips. The air was getting hot and humid and so a

# Tomahawk Pickers - continued

decision was made to move our chairs from inside the exhibition center down to the water's edge to watch all the race and other boats blowing the carbon out of their pipes.

We spent several hours down at the river bank and then decided to mosey over to the Bridge Inn to watch the boat parade and water ski show. The Tomahawk Water Ski club puts on a water show each Thursday, Friday, and Saturday at 8:00 PM. The jump ramp and start and finish areas are directly in front of a motel on the river bank right next store to the Bridge Inn. The inn has a nice outside deck on which one can sip a drink and eat dinner while watching the activity on the river. We did just that in spite of a thunderstorm that came through. No steak tonight – we opted for fish.

The boat parade was little a little abbreviated yet I would guess there were at least 15 boats that came down from the park and made the U-turn in front of the water ski crowd. Each boat had a number and as they passed the grandstand the particulars were announced. What a great way to watch vintage outboard boats and motors showing off. By 7:45 the skies had ceased to drown us and we could see the water ski troops getting ready on the docks just down the river from us. At 8:00 sharp the roar of the ski boats broke the air and we were next treated to 40 minutes of water ski aerobatics and tricks.

Friday morning again dawned hot and humid and we felt we still had one or two more good trips up and down the strip to see if anything new had shown up or if the items we were interested in were priced more to our liking.

Having worn out our picker skills by 1:00 on Friday afternoon we made the decision to hook up the Baby Bullet and head home. Along the way Dave wound up with a FREE second Baby Bullet to restore, yet another gas tank and steering wheel and I managed to pickup an NOS Spot light for the deck of my Century Palomino project boat.

This picker stuff could get addicting.

Just a few of the many on display

# EIGHT REASONS why you'll want to join THE GLACIER LAKES CHAPTER of The Antique & Classic Boat Society

**Reason #1** The magazine you'll put on your coffee table-**RUDDER magazine**-You'll get this quarterly glossy magazine that will keep you updated on the important activities of boat shows in the US and Canada. Features include: Calendar of Events; Chapter News; Boating Safety; The Trading Dock and more.

**Reason #2** The book worth the price of admission alone. The **DIRECTORY**-Across the US and Canada, you'll have almost 700 pages (1.5" thick) with 7,000 plus names at your finger tips to share antique & classic boat information and answer questions. Listings are multi cross referenced by boat classifications, alphabetical boat name listings and alphabetical inboard engine listings.

### Reason #3

"at the Waterline", The Glacier Lakes Chapter quarterly newsletter keeps you informed on local events and projects. You are invited to contribute stories about your experiences with your boat from trips to restorations.

**Reason #4**  
SAVE 10%  
on your insurance

**Reason #5**  
**GLACIER LAKES ACTIVITIES**

- \* Winter Boat Show MILWAUKEE
- \* Annual Antique & Classic Boat Show. Wild Eagle Lodge
- \* Annual Pewaukee Lake Boat Show
- \* Annual Madison Area Boat Show

**Reason #6** FREE name badges for you and your spouse

**Reason #7** SAVE 20%  
The Bob Speltz Books.

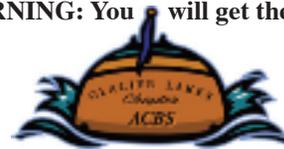

No classic boat enthusiast would want to be without this timeless series. Check the Ship's Stores at the ACBS website: [www.acbs.org](http://www.acbs.org)

**Reason #8** You'll meet new friends that share your passion!
