As I write this last message of the year I see the leaves falling, shorter days, and the temperatures dropping, whispering (or screaming) the end of the Wisconsin boating season is here. 2018 was another banner year for Glacier Lakes members. The Manitowish Waters show kicked off our season followed by the Minocqua show. Then there was the Inaugural Green Bay Rendezvous and the Madison Gathering, both designed for boating fun. And they were!!! Sturgeon Bay and Pewaukee rounded out the summer with the great Bay to Lake Cruise and the best Pewaukee show on record. The Port Huron International ACBS show was the icing on the cake for those lucky enough to attended it. Aaahhh the memories. They will keep me warm until we can start all over again in Spring.

Our Fall Banquet was a great success and was held at the Pewaukee Machine Shed. We enjoyed a delightful buffet, reports on events over the past season, elected our new officers and thanked our retiring ones. All was followed by a very fascinating recollection of the life of one of the surviving officers of the Titanic, Charles Lightoller, as portrayed by our guest speaker, David Wiedenkeller. Thanks to **John Baas** for arranging this year's guest speaker. He was AWE-SOME as I began feeling we were actually hearing right from Charles Lightoller.

The Board of Directors will be meeting in December and will be discussing next years beneficiaries of our donations. Members are welcome to submit ideas to board members for consideration. We will also be reviewing and revising our mission statement, by-laws, and constitution to ensure they are reflecting upon each other and further reflect what the chapter is actually doing. Again, suggestions can be submitted to board members for consideration and implementation into the documents.

With the addition of new board members, we now have members in Oshkosh, Green Bay, and Egg Harbor in addition to those of us in SE Wisconsin. It is planned to locate our four board meetings throughout the state in an effort to be more inclusive of our members and reduce the burden of our large geographic area by sharing the necessity for travel to meetings. We hope our board members will be able to network with other chapter members in their respective areas and help bring us all closer together and promote more involvement in chapter activities and events.

The Milwaukee Boat Show is coming in January. **John Baumann** has agreed to coordinate Glaciers Lakes effort and presence at the show. We will need volunteers for setup and teardown as well as people to promote our hobby to the general public during the show. We will be using our beautiful transom podium and our Pop-Up tent as our promotion center at the show. Signup, and other information is included in this newsletter. Please consider helping out and bringing a boat to display. This is a Great Venue for promoting our hobby and recruiting new members.

Our next newsletter will include information about the Spring Banquet and upcoming shows throughout 2019. Please consider helping out wherever you can. A successful chapter is only as good as the efforts put forth by it members. Many hands lighten the load! Not to mention the Great Camaraderie.

I hope to see you all in 2019 and wish you a Happy Thanksgiving, Merry Christmas and Blessed Holiday Season, and a Happy New Year. I thank you all who helped make 2018 a Great and Successful Season.

INTRODUCING NEW BOARD MEMBERS

Director At Large-James Richey

I'm James Richey from Franklin WI.,married to my beautiful wife Betsy. We have one boy/dog named Buddy Boy. I have always had a love for the way things use to be built and styled, boats being one of them. My first boat was a vintage Stevens river racer with a 95hp Mercury. There was nothing like tubeing at 55 mph lost a swimsuit or two along the way. I opened a mobile electronics store on the east side of Milwaukee which took up my time and my life for many years to come. Throughout my my life as a business owner I acquired a vintage boat here and there as well as many vintage outboards which sat and collected dust due to no time. Occasionally while searching Craig's list I would see ads for vintage boat shows, one being at Pewaukee Lake boat show. We finally retired and were able to attended a boat show in Pewaukee were I learned about the club and decided to become a member. Now here I am 13 boats and 40 outboards later asked to be Director at large. One last note, I'm blessed to have a very understanding wife!

Director At Large Bob Snyder

I am a dentist in Green Bay where we have lived since 1983.

Lois and I have two adult children and one perfect granddaughter.

Have loved the water since I grew

Have loved the water since I grew up in Minnesota.

We have two wooden boats, a 1967 Chris Craft Sea Skiff Sportsman and a 1956 Thompson Sea Skiff.

Our family also loves sailing. We have a 1964 sailboat: and kayaking and canoeing.

Director At Large-Ron Lee Pistohl

Hello!! I'm Ron Pistohl aka Ron Lee on Facebook. Pam and I live in Oshkosh, WI. I am excited to be part of the Glacier Lakes Chapter. My father introduced me to wood boats at a young age and have been an enthusiast ever since. I have restored 3 boats and am working on a 4th.

I have 5 children and 4 great-grandchildren, ranging in ages from 2 years to 8 years. My wife, Pam and I have been married for 23 years and recently became empty nesters. Our daughter, Rylee, a recent Marian University Graduate moved out with a friend. Our son, Ryan, is living with four friends and is a sophomore at UW Oshkosh. We are not completely alone as we have 1 dog, 3 cats, 1 rabbit and a guinea pig. My wife works at a vet clinic, so you can see where that's going!!

I work for Hoffmaster Group in Oshkosh as a Napkin Press Operator on 3rd shift and have been there 20 years. Working 3rd shift has given me the opportunity to pursue my love of boating and boat restoration.

When I'm not wrapped up in boats, my wife and I like to spend time with our children and families, travel throughout Wisconsin, enjoy the outdoors and back the Packers.

Nancy Feichtmeier provided a Treasurer's Report to **Bob Stoltz** to present in her absence. The Chapter realized a sustaining profit for 2018 from the Pewaukee Boat Show revenues added to our current balance. Great job!

Gayle Ritter spoke to Secretary **Brian Irwin** shortly before the meeting. She was unable to attend, but shared Chapter membership is now "right at 200" members.

Mary Willis shared the success of our new event at Green Bay. The venue is extremely nice and well-suited for a weekend of fun. Additional slips are being negotiated and the event is planned for the second weekend in July.

Bob Stoltz reported on the 2018 Pewaukee Boat Show. Hard working volunteers and great weather made the show an incredible success. He ticked off the numbers – 50 boats on display, beer tent sales up 30%, Ship Store sales increased by 107% and Program Book sales up 19%. Bob would like feedback from participants now, while the memory is still fresh on how to improve the show.

Mark Walters updated members about the goingson in Madison. He said, "Conditions were favorable", and attendees were delighted with the rendezvous format with lunch at the Edgewater and dinner at Christie's, etc. Be sure to pencil in the date next year!

Bill Freyman reported the **28th Annual Sturgeon Bay Show** was very successful. Due to uncharacteristically calm conditions, the cruise was able to be completed the first time ever! Skipper Bud's was kind enough to open several slips to accommodate the added boats on display. This year, the "Glacier Lakes Lounge" was created and located in the city center. An ideal location! Challenge was fun, as always. Mark your calendars now, August 9, 10 and 11 in Sturgeon Bay, WI.

Members are asked to offer input for 2019 donations, with Roberta noting the Sturgeon Bay museum as a possible recipient.

Commodore Roberta next opened the annual Election of Officers and Board Members by introducing a proposed slate to General Membership. She then asked for any interested members to throw their hat in the ring if interested in actively participating in Chapter governance. Gary Rechcygl motioned to close nominations and Marc Daniloff seconded.

Roberta then asked for a motion to accept the slate as follows:

Roberta Hegy and Bob Stoltz elected to their second-year terms as Commodore and Vice-Commodore, respectively. Nancy Feichtmeier elected Treasurer (final year, she would like to retire). All in attendance signaled their support.

Directors; John Baas, retiring Director at Large; Sue Rechcygl, retiring Secretary; and Judy Wagner, retiring as Membership Co-Chair. Roberta next presented the President's Cup, to the person or persons making a great impact on moving the Chapter Mission forward. Those two are Mark and Mary Willis for their tireless efforts and helping Roberta keep a steady hand on the helm, spearheading the Green Bay Rendezvous, and taking a major role in the Racine ACBS International show, among many other things. Thank you, Mark and Mary!

Looking ahead, there was brief discussion as to possibly finding a northern location for the Spring Meeting.

Additionally, Delafield Brewhaus will host the planning meeting for the Milwaukee Boat Show, with buffet-style breakfast on January 6th at 9 a.m. The Milwaukee Boat Show will run from January 18-27. **John Baumann** and **Charlie Shong** will coordinate Chapter participation.

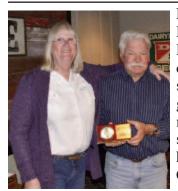

At approximately 7:45 p.m. **Ken Bourgeois** moved to formally adjourn the business portion of the Meeting, with Jane Larson seconding.

Following this, John Baas introduced the evenings entertainment. David Wiedenkeller is known throughout the Upper Midwest for his accurate portrayals of historical figures. Mr. Wiedenkeller studied the history surrounding the RMS Titanic, specifically Senior Officer Charles Lightoller and provided members with a fascinating first-person accounting of the events surrounding the tragedy. The willing suspension of disbelief was evident throughout the audience, as an eerie silence hung over us. Only after Mr. Wiedenkeller stepped out of character to take Q&A's did we enthusiastically reflect on how convincing his skill was! This followed a period allowing members to view authentic remnants from the shipwreck and other artifacts of the time. All agreed this was a wonderful evening and fitting conclusion to another year of boating, ACBS style!

John Baas Recognition: John has been a Chapter Board Director 2017-2018; John and Pam have been on The Pewaukee Boat Show committee since 2012; He has served on the January Boat Show Committee since 2012; Cheteck Boat Show Chairman 2015-2017; This was not directly chapter related but recognition is deserved that John's desire to keep the hobby alive.

Glacier Lakes Members Boat the Blue at the 2018 ACBS International Boat Show in Port Huron, MI Story and Photos by Jane Larson

Blue water, freighters, a cruisers trip to Lexington, a day trip on the St. Clair Flats, lunch at the Old Club, maritime museum tours and boats, boats, boats! These were just a few of the things that some of our Glacier Lakes chapter members experienced at the 2018 International Boat show that was held Sept. 9-15. Smiles are still on the faces of Bob & Lois Snyder, Jeff & Renee Davey, Mark & Mary Willis, Rich & Beth Lepping, Gary & Sue Rechcygl, John & Amy Zea (and their son & daughter in law) Gary Berg & Jane Larson and Mary Richter when they recall their spectacular time in Port Huron.

Monday was a drizzly day spent on the St. Clair flats, the world's largest fresh water delta. Poker stops highlighted the area's architecture, topped off by lunch at the Old Club, a private island resort. Lois held the winning poker hand and took home a shiny Shinola watch. The drizzle gave way to a glorious Tuesday run on the St. Clair River and tours of maritime museums in Marine City. For some of us, it included venturing under the Big Blue Bridge and out onto Lake Huron. Mother Nature gave everyone a gift on Wednesday with sunny skies and calm waters for the cruisers run o Lake Huron to Lexington. It's not every day that one gets to sit on the fly bridge of a 42 foot classic boat as it cruises past a freighter! The evening's Welcome Party gave those who climbed the stairs to the top of the Fort Gratiot Light House a magical view of Lake Huron tinged with pink from the setting sun.

Thursday's business meeting attendees found it was insightful to hear how other chapters operate and what the goals are for the national organization. It was also time for **Rich Lepping** to pass his presidential gavel to the incoming president. (Thank you, Rich, for all you have done for ACBS!)

Finally, it was show time! Friday dawned with a foggy haze that brought boat owners to the docks on the Black River to wipe the dew from windshields. An improved judging system was in place and judges began the long and difficult task of evaluating boats. Our own Mary Richter was an apprentice judge and spent the day learning the system. (Mary also gave back-to-back seminars on Saturday about varnishing and restoring a Chris-Craft.) A record 195 boats were in the water with another record of 114 boats being judged.

Friday evening's scholarship fund raising dinner had Miss America VIII and Miss America X making a rare, on-land appearance. Mark Willis presented Dan Gyoerkoe, Executive Director of ACBS, with a check from the Glacier Lakes Chapter for the scholarship fund in memory of the late Karl Johns. Overall, the event raised \$22,000 for the ACBS Scholarship Endowment. Saturday proved to be another incredible day without the pressure of judging. To round out the show, about 400 people attended the awards banquet. Zeas' boat "Amy Ann" won a platinum award in the Contemporary Runabout Restored division, Gary & Sue Rechcygl's Double Trouble won a gold in the Classic Utility Preserved division, Gary Berg & Jane Larson's Buster won a gold in the Classic Outboard Preserved division, and Jeff & Renee Davis's Jeffery Dave won a silver in the Classic Utility Restored division, in addition to the Best Higgins award and a second in the Hagerty Youth award. Our Glacier Lakes attendees are still amazed by the sheer number of boats, the warm hospitality and the non-stop laughter. (Please see The Rudder magazine for in-depth articles on the pre-events and the show.)

FIRST... thank you again for allowing us to be part of the ACBS Pewaukee Boat Show. We met many people and there was lots of interest in our organization. Cory Muehlmeier is a junior at University Lake School, and he was our summer programs assistant. He helped build the 11' Echo Bay Dory Skiff that is pictured. Also helping us that day was Tom Frank, Sr., one of our dedicated AHB volunteers.

SECOND... on September 26, we celebrated the launch of six new 12' rowing skiffs built by more than 40 Milwaukee students at our annual Builders Camp in July. The Builders Camp takes place at the Carpenter's Apprenticeship Training Center in Pewaukee. One of the goals of this great camp is to introduce urban youth to careers in the skilled trades.

THIRD...we participated at Maker Faire Milwaukee on October 28-30. At our booth, we began construction on a 11.5' outboard skiff. There are plans in the works to have students build these utility skiffs and offer therm for sale to the public.
