Summer's around the corner, we just wrapped up our spring dinner and meeting and we can finally get our boats in the water. What's better than that?

Well, let me suggest a few...

1. Our members. The board, Sue Rechcygl, and Nancy Feichtmeier for keeping us on track and growing membership.
2. Wil Vidal. For his continued work on our newsletter and behind the scenes efforts. What would we do without him?
3. Jack Schneiberg. He finally got it! The chapter received the 501c3 tax exempt status. Thank you Jack for your tenacity and diligence in this effort.
4. The late Walter Wilde. He thought enough to leave some of his treasures to the chapter in his estate, and we will work hard to honor his wishes.
5. Ken Bourgeois. Watch the newsletter for information on our summer river cruise. Thanks to Ken's effort, we continue to enjoy our summer boating trips and activities.
6. Mary Richter of Fine Yacht Finishing and Scott Bruesewitz, for presenting another well prepared seminar on varnishing at The South Shore Yacht Club March 21. See story.
7. And finally, Roberta and Rich Hegy for a great presentation at our spring dinner. I can't wait for a boat ride on the new Glen L Torpedo.

Watch for information on our upcoming boat shows, river cruise, the Milwaukee Masterpiece show, the Door County boat show, the Minocqua boat show and many more activities. Sign up for one or more of our shows, lend a hand if you can, and more importantly, have fun and be safe this summer.

Remember the ACBS International is less than a half of a day's drive, so let's all meet in Gull Lake Minnesota and have a great time.

Would you like to be on the Glacier Lakes Board? Let me or anyone on the board of your interest.

Take care, and remember to put the plug in!!

Walter Wilde leaves his boat treasures to the Glacier Lakes Chapter

Walter Wilde a great friend to all of us was born to eternal life Sunday February 15, 2015 at age 75. Walter kept up his positive attitude and generosity thru out his long illness.

As we all knew, Walter was a collector of friends and toys, a member and supporter of numerous automobile and boat clubs, and an active member of St. Matthew's Lutheran Church. He was a passionate supplier of automobiles for countless parades and celebrations. He belonged to the MIDWEST ANTIQUE AND CLASSIC BOAT CLUB the predecessor to the Glacier Lakes Chapter.

He was truly a generous guy. In January 2014, Boston Store needed a vintage boat for a kids swimsuit photo shoot. Walter provided his 1949 Thompson 14 ft fishing boat with outboard. Boston Store gave him \$500.00 for the use of the boat. Walter donated it back to the chapter. The chapter has just found out that Walter has willed many water related items to the chapter. The items will include boats, outboard motors and boating related literature. Walter was always there to provide his vintage cars and old boats. Walt, thank you for your friendship and generosity. God Speed!

We will all see you again some day.

Summer River Cruise: July 18. Ken Bourgeois reported that it will be the same format as last year except for a couple changes. The water level is up, so launching will be at South Shore Yacht Club. Milwaukee County is redoing the parking lot at SSSC, so that may affect where we launch. More details will be in the next newsletter.

Boat Show Updates:

Madison: July 31-August 1. Rich reported that Friday's cruise will include lunch at the Edgewater and the usual ride through the locks. The show at Christy's on Lake Waubesa may include antique cars.

Pewaukee: August 15. Wil Vidal showed this year's poster. Friday night's party will be at Bob Stoltz's home. Mary Willis is working on getting antique motorcycles for this year's show. Wil handed out programs and advertising forms.

Cajun Classique: Bob Stoltz reported on the Louisiana bayou trip taken April 12-19 with Gary Rechcygl and Todd Schultz. An article and pictures will be in the next newsletter.

Milwaukee Masterpiece Invite: August 22-23.

Rich introduced Leon Flagg, Executive Director of the "Milwaukee Masterpiece" and Michael O'Krongly, Chairman of the sister event, "Club Saturday at the M". Held in the beautiful setting of Veterans Park on Milwaukee's lakefront between the Calatrava and Milwaukee Yacht Club, these events celebrate the art, design and history of automobiles with 150 unique motorcars and motorcycles selected from all over the world. Realizing they were missing the beauty of wood boats, they invited us to participate. Approx. 20 show quality boats of various classes would be shown on trailers on land. They expect 6,000 people to attend, and this year's Sunday show celebrates the 50th anniversary of Shelby. Last year these events generated \$12,500 in charitable gifts to Meta House, Autism Society of SE Wisconsin, and Boys & Girls Clubs of Greater Milwaukee. More info at www.milwaukee-masterpiece.com. If interested, contact Mark Willis who will be coordinating our participation.

VARNISH 201
ADVANCED TOPICS IN VARNISH, PAINT PREP & APPLICATION
Saturday March 21, 2015, 9:30am - 1:00pm
South Shore Yacht Club, Milwaukee, WI
PRESENTED BY Mary Richter of Fine Yacht Finishing and Scott Bruesewitz

A special thank you to **Mary Richter** of Fine Yacht Finishing and **Scott Bruesewitz**, for presenting another well prepared seminar on varnishing, paint preparation proven applications for working with wood and fiberglass. Mary and Scott are very involved members of The Glacier Lakes Chapter and The South Shore Yacht Club. It was held at the South Shore Yacht Club in Bay View, WI Saturday March 21, 2015. Registration started at 9:30am and went to about 1:30PM. This was a 4th presentation put on by either Scott and Mary or both in tandem. Scott had done some earlier seminars focusing on fiberglass. About 60 attendees came armed with note pads and questions. Mary and Scott were prepared with a take home 14 page outline for attendees, slides, demonstrations, product samples and of course coffee and donuts.

They talked about planning your project, the importance of safety, specialty tools for removing old finishes, and how to use a heat gun and tips for effective sanding wood and fiberglass. They covered the repairing of dings, dealing with stress cracks in wood and fiberglass. After a break Mary and Scott discussed the cleaning of wood and fiberglass for painting, staining and varnishing.

They talked about different brands of products. They stressed that it is important to follow specific manufacturer instructions when using different products. If a manufacturer says use one to one, that is what

one should do. They also talked about the importance of using the right breathing mask protection equipment. And finally, don't despair. If something doesn't turn out right, you can do it again. One attendee remarked that they should have charged a lot more considering the knowledge Scott and Mary shared. The nominal fee covered cost of coffee, donuts and use of the yacht club room and staff for setup and take down of chairs. You can access Mary Richter's website at: www.fineyachtfinishing.com

After the presentation, a number of individuals approached yours truly about joining the chapter. They were John Czeszak of Milwaukee and Rick and Amy Cermak of Racine, WI. John is interested in making a vintage boat purchase and Rick and Amy own a 1957 Carver Captain. Scott Bruesewitz can be credited for bringing in a number of new members.

Mary's take home information outline had these words of wisdom:
"Twenty years from now you will be more disappointed by the things that you didn't do than the ones you did do.

So throw off the bowlines. Sail away from the safe harbor.
Catch the trade winds in your sails. Explore, Dream, Discover, Varnish."

Slightly Paraphrased from Mark Twain

Antique & Classic Boat & Motor Swap Meet and Show Saturday May 16, 2015 at the Okauchee Lions Park

HOSTED BY  MIDWEST
CHAPTER

2nd Annual Okauchee Boat & Motor Swap Meet Wrap-up by Dan Johnson

Saturday May 16, 2015, Okauchee, Wisconsin The weatherman was predicting a warm but wet day for our 2nd Annual Boat and Motor Swap Meet being held at the Okauchee Lions Park. Much to our surprise, other than a few rain drops, it was a fabulous day! By 9 am there were over 40 vehicles with motors, parts, and accessories, plus several boats in tow. Many items were bought & sold, especially early in the day. By 11am the smell of brats and dogs was in the air. Most of us had our lawn chairs planted behind our cars or boats taking in the beautiful day. Members of the Glacier Lakes Chapter & AOMCI enjoyed each other's company.

My thanks go out to Greg Wojezak, who was the key member in promoting and setting up the site. Thank you Wil Vidal, of the Glacier Lakes Chapter, ACBS, for posting the meet in the quarterly *"at the Waterline"*. My sincere appreciation goes out to Tony and Al Moroder (father & son) for buying and preparing the food for the event. Many complimented Al for the tender and tasty brats. (Secret Recipe!) We made \$189.00 which almost paid for the site. Thanks guys & gals for a successful meet!

I have once again reserved the park for the 3rd Saturday of May 2016.

10th Annual, Madison Area Antique & Classic Boat Show July 31 & August 1st 2015

You are invited to take part in the tenth annual, Madison Area Antique & Classic Boat Show. The renowned Christy's Landing Restaurant will again be the site for the show on Saturday, August 1st. This location is simply outstanding for the public to view these beautiful boats on Saturday. On Friday, July 31st, we will be hosting a boat tour of the Madison chain-of-lakes; including Lake Waubesa, Lake Monona, & Lake Mendota (weather permitting). The tour will break for lunch at the new Edgewater Hotel (Boathouse deck) and include a few excursions before heading back down the river.

One of the most important aspects of this show is that the majority of the proceeds will go to the Clean Lakes Alliance. This organization is dedicated to improving the lake quality within the Yahara Lakes' watershed. For 2015, our goal is to raise \$6,000 by receiving donations from the public and area sponsors.

Awards will be given in several categories including the Best Chris Craft, Best Century, Best Inboard Motor Boat, Best Outboard Motor Boat, Best Non-Motorized Boat, Best Fiberglass Classic, and of course the "Best of Show". This will also include the public selecting the People's Choice Award. This year's featured boat manufacturer is Higgins Boats.

Please return your registration form quickly, as we are limited to approximately 45 boat slips (entries accepted on a first-come-first-serve basis). Also, please include a brief history of your boat and a photograph (e-mail preferred) to enhance our boat show program booklet, which will feature all the show participants' boats.

The enclosed Schedule of Events and Registration Form should help answer your questions. If you need additional information, please contact Mark Walters or Andy McCormick via e-mail or telephone (see below). Should you desire lodging, we list local hotels on the enclosed map.

We look forward to seeing you there! Glacier Lakes ACBS Chapter Website: www.glacbs.org
