## The ACBS Annual Meeting and Boat Show will come to Milwaukee in 2017

Rich Lepping presented background information to chapter members at The Delafield Brewhaus Chapter banquet Friday November 20, 2015.

After getting initial Chapter Board approval, Rich Lepping made a proposal at the June 2015 ACBS Board meeting in Mystic Seaport to sponsor the Antique & Classic Boat Society, Inc., (ACBS) International Meeting & Boat Show at The Madison Edgewater for 2018. Lake Tahoe would host the event in 2016 and The Antique Boat Museum in Clayton, NY would host it in 2017. As all Glacier Lakes members know, every year the August Madison Boat Show includes a pre-event trip on Waubesa, Monona, and Mendota lakes, including a stop at The Student Union.

A new pier system had been completed at The Edgewater Resort, the proposed site for the 2018 ACBS Meeting and Boat Show. This past August the Madison (MAACBS) pre-cruise included a trip to The Edgewater Resort and docking at the new pier system. It turned out that the wind conditions made it almost impossible to dock. It became a huge concern for the protection of antique and classic boats. Rich told ACBS that he wanted to put the Madison 2018 proposal on hold to further research on how to make the dockage safe for everyone in the event of bad weather. In the meantime, The Antique & Classic Boat Society decided that the Clayton location wouldn't be ready for 2017. The new ACBS President of the Antique & Classic

Thank you for electing me Commodore. My involvement with classic and antique boats began with Lee Palmer and Wil Vidal. It was through them that I saw the uniqueness and enjoyment of classic and antique boats. I thank them for educating me about these unique boats and introducing me to The Glacier Lakes Chapter of ACBS. Prior to this my boating consisted of owning and building fast outboards and “cigarette-style boats”.

My first volunteer assignment was flipping burgers at the Pewaukee Boat Show. Back when it was a small show at the Pewaukee Yacht Club. Thanks to Wil’s persistence, I’ve been involved as a Director and now Commodore.

Glacier Lakes is a busy Chapter. We start in January with the Milwaukee Boat Show. Spring brings planning meetings for all of our boat shows. August is Show Time. The boat shows start with the Madison show on the first weekend; second weekend is the Door County show; third weekend is the Pewaukee Lake show; the last weekend is Glacier Lakes’ participation in the Milwaukee Masterpiece show.

To make these shows successful, we need volunteers to help organize and staff the shows. If you have interest in getting involved, let me know (email at [customboatservice@sbc-global.net](mailto:customboatservice@sbc-global.net)).

Lastly, I need to thank Rich Lepping for all his efforts and guidance as a Director, Officer and Commodore of our Club. I am sure in his current role as Vice President of ACBS we will continue to benefit from his guidance as these organizations move forward.

Wishing everyone a Merry Christmas and Happy New Year!

Boy, how times flies! Just two years ago at this time, I became your Commodore. I took over from Jack Schneiberg, who left things in a good place, and hopefully, you will agree, that I'm leaving things to Mark Willis in a good place. We celebrated ten years as a chapter, membership has increase, our boat shows are healthy and thriving, we have paid back our communities with contributions from our shows, and we have won a couple of prestigious awards from ACBS. Your board is involved and our future looks great.

Many folks behind the scenes deserve credit and thanks. Most notably, Wil Vidal, Nancy Feichtmeier and Sue Rechcygl, Jack Schneiberg, Howard Schneider to mention a few. They do all the heavy lifting, and we couldn't do it without them. Congratulations to James Tye as well, for becoming an ACBS board member.

However, our work isn't done. I'm pleased and excited that our Chapter will host the 2017 International meeting and show in Milwaukee. This will not be easy, and we still have a number of items to iron out. But one thing is for sure. If anybody can do it, Glacier Lakes can! It will take all of us, but I believe it will be worth the effort. Please help out when you can, and watch for more information.

Finally, I want to thank and congratulate Mark Willis. Mark will be a great Commodore, and we are in good hands. Please thank him when you see him, and like myself, I know he would want to know your concerns and comments.

Thanks to each and every one of you. It has been my pleasure to serve you and ACBS, and will continue to do my best as your Vice President of ACBS. Have a great Holiday season and have a safe and healthy New Year!

Remember, to put the plug in!!

**ACBS INTERNATIONAL MEETING  
BOAT SHOW MILWAUKEE 2017**

Boat Society, Inc.,(ACBS) asked newly elected Vice-President Rich Lepping if the Glacier Lakes Chapter could host a venue in 2017. Knowing that The Edgewater would need long term research, Rich made contacts with Lake Lawn Lodge, South Shore Yacht Club and The Milwaukee Yacht Club. Lake Lawn wants the show, South Shore Yacht Club said no as well as The Milwaukee Yacht Club initially saying probably not. The Milwaukee Yacht Club called back while Rich was conferring with the board on what was happening. The MYC decided they wanted the event.

An initial meeting was held November 6 at The Milwaukee Yacht Club. Those in attendance included: Glacier Lakes members: Rich Lepping, Ken Bourgeois, Marc Daniloff, Nancy Feichtmeier, Roberta Hegy, Jane Larson, Sue Rechcygl, Jack Schneiberg, Howard Schneider, Mark & Mary Willis, Wil Vidal, and Jeff Stebbins, Due Diligence Representative from The Antique & Classic Boat Society, Inc.

Also present were Thomas Maliszko, General Manager, MYC; and Dan Couillard, Dockmaster , MYC. Also at the meeting from Visit Milwaukee were Megan Husband, Convention Sales Manager, and Lynne Sobczak, Convention Services Manager.

It became apparent by looking at the piers, that the biggest concern was the ability of some of the pier system heights not being able to accommodate the boats of the ACBS organization. Rich emphasized that this would need to be corrected. Another meeting has been scheduled to also meet with Milwaukee County representatives. Parts of their pier system would accommodate the needed adaptability for ACBS antique & classic boat owners. Rich feels confident that MYC will do whatever it takes to make it work.

A successful event will take the hard work of many Glacier Lakes members. Rich will be in contact with the Blackhawk Chapter to do partnering. Rich said that The Chapter will plan a pre-event agenda from Monday September 10, 2017 to Wednesday September 13, 2017. This is in the planning stage. Rich emphasized that we must resolve the dock situation before we can plan anything else. Rich noted that this will be the first ACBS International event to be held in a major city. More to come

# Pewaukee Antique & Classic Boat Show Friday August 14, 2015...6AM MORNING SETUP

Early Friday morning, the trailers start arriving. Glacier Lakes members bring two trailers with the piers. Everything is lined up along Wisconsin Ave. Safety precautions with warning barriers are put in place. Members at each end of street get ready to direct traffic. The Dawes crane will arrive about 8:00AM. The piers are lifted off the trailers and set in the lake. A crew links the piers and connects the system into the Pewaukee Ski Club dock. All this takes about 90 minutes. On Sunday morning, everything is done in reverse.

## Glacier Lakes at the BIG Lake

By Jack Schneiberg

What has a flat head 6 cylinder engine; will take you for a ride and is made of wood? A Century? A Chris-Craft? A Garwood? If those were your responses ....or other well known boating names – you would be wrong; at least in response to my specific question. The correct answer to my question is: A 1947 Pontiac “Woodie” Wagon. That “Woodie Wagon and several of the aforementioned boats were all at the Milwaukee Masterpiece Event during the weekend of August 22-23. Held at Veteran’s Park on the lakefront in Milwaukee, this event has historically been a vintage, collector, and classic car event. The limit for vehicles on display is 150. The park – settled on the Lake Michigan waterfront is perfect for the displays. This year the boats were a first.

Glacier Lakes member David Doyle owns the '47 Pontiac and I was able to make the trek from West Bend to Veteran’s Park on Sunday. We made it home, too. It’s quite an experience to jump in the front seat and start looking for seat belts that aren’t there! The ride is pretty smooth and rattle free for a ‘47. A little gear whine, some wind noise and a top speed of 45 mph make for leisurely travel. This sounds like a few boats I’ve known. But at those speeds one really gets to dwell on all the thumbs up as you pass by.....or are passed. This was the first year that the Masterpiece invited boats. On Saturday of this weekend event, “club” cars are welcomed without restriction for display. On Sunday, the collector and classic cars are by invitation. Our boats were on display both days. This was a land display only event for the boats. Awards are given in many of the variety of classes the cars are grouped in for display. The boats were not in a judged class, however, Eric & Kathy Moberg won a ribbon for “best period costumes” as they sat perched upon

the rear deck of their 1958 Streblov while Mark Willis tractored them past the review stand.. Peter Harken took a ribbon also.

David Doyle's '47 Pontiac was awarded a yellow ribbon for "best in class". After a rainy trip down during which we discovered the windshield wipers worked- the knob fell off the switch, though, as soon as we entered the display area. Several scattered showers fell during the first hour, but then things cleared up and it warmed nicely Sunday morning. Saturday had been picture perfect. Exhibitors are guests of the Masterpiece for both breakfast and lunch. It's a pretty big deal.

Brian & Lisa Kramer had their '48 Century Sea Maid there. Rich & Beth Lepping brought their beautiful 1955 Century Palomino. Paul Mason presented his 1939 Century Sedan "Rebel". It would not have been a show without Roberta & Rich Hegy's brand new "Torpedo". Our group's official photographer Wil Vidal parked "In the Mood" - his 1940 Chris Craft U-22 on the lawn and got out his camera to shoot the accompanying pictures. I've already mentioned the Mobergs. Dave Buckley's '35 Gar Wood Speedster 16' was also on the lawn. And, if you want to gaze upon some fins - take a look at the pictures of those 2 fiberglass boats. The location of our boating group was the perfect place to sit and watch the second set of award cars parade past the review stand. It appears the overall winner was a 1958 Buick Limited convertible 1928 Cadillac. The Cadillac was completely original and "preserved" and beautiful. The Buick was black with enough chrome to sink a 1959 Century Coronado - and that's a ton of chrome. Finally - Kudos go to Mark & Mary Willis who headed up the effort to corral and coordinate this first year effort on behalf of our Glacier Lakes ACBS Chapter with the Milwaukee Masterpiece group. If you were at our April meeting - you may remember the invitation. It worked. We showed up.

## MINNESOTA ...OVER THE TOP!

by Wil and Mary Vidal

We started our 8 hour trip to Minnesota Saturday morning September 19th. We stayed at Craguns Lodge which was near the boat show. Howard and Donna Schneider met us at the Resort on Sunday. Mark and Mary Willis would join us Tuesday.

### PRE EVENTS

One of the best experiences of an annual meeting is participating in the pre-event activities. Sunday night there was a welcome dinner at beautiful Bar Harbor Supper Club.

**On Monday** we launched at C&C Boatworks and boated to Moonlight Bay Restaurant for breakfast. We toured the Whitefish Chain of lakes and returned to the Moonlight Bay Restaurant for lunch. Along with Howard and Donna Schneider, John and Janet Howard accompanied us on the Monday boat cruise. The Whitefish Chain is one of Minnesota's crown jewels comprised of 17 lakes.

**On Tuesday** we boated another part of the Whitefish Chain. That morning there was a photo shoot of the boats in motion. Pictures can be viewed of the entire event on **The FREEDOM BOAT SERVICE website**, [www.freedomboatservice.com](http://www.freedomboatservice.com)

On Tuesday afternoon all the boats were taken to Gull Lake. The Gull Lake Chain has a surface area of 13,000 acres. Tuesday evening we drove to Lost Lake Lodge for a Minnesota Style Walleye dinner.

**at the Waterline PAGE 17**

On Wednesday morning rain showers woke us up...better than snow! Boating would have to be put on hold temporarily. We had lunch at the Grand View Lodge and then we were able to boat in the afternoon as the sky's cleared.

Mary Keating and her daughter, Howard Schneider, and Mark and Mary Willis went boating on "In the Mood". Wednesday evening, BSLOL hosted the "Welcome Aboard" Reception at the Bar Harbor Supper Club, site of the boat show. Wednesday, we enjoyed a "Taste of Italy" Dinner and entertainment at Madden's Resort.

On Thursday, while yours truly attended the ACBS board meeting, Mary, Howard and Donna took a bus excursion to The Minnesota Lakes Maritime museum in Alexandria, MN. At the board meeting, Rich Lepping was elected a Vice President of The Antique & Classic Boat Society, Inc.

Friday morning was the start of the boat show. The crowds were huge.

**"SCHOLARSHIP AUCTION" FRIDAY EVENING** The auction was hosted by Lee and Penny Anderson at their beautiful private museum on Gull Lake which was over the top in opulence. Next to the museum, Lee Anderson had ten wooden boats on the piers at his 10 slip Adirondack boathouse. There were 500 of us at his private museum with strict admittance protocol. We will never see a collection like this again and were privileged to have experienced it all. We enjoyed food, drink, live music and the Scholarship Auction. Lee is a very generous philanthropist and has received many accolades of recognition for his charitable giving.

We also had the great opportunity to see John Allen's museum of beautiful boats, cars, and engines. A number of workshops were held at his museum. John Allen owns Bar Harbor Supper Club, boat show site. John added piers at his own expense to accommodate the show.

#### SATURDAY BOAT SHOW

A welcome surprise was Wayne Eversole and Mike Flood from Michigan. Our first ACBS experience was "MAC 2000". Mary and I were able to ride with Wayne and Sherry Eversole and Mike and Chris Flood in Mike's 1937 Hacker Craft. At that point we were about to buy our first antique boat in Michigan, a 1939 Chris Craft Barrel Back.

## CUTWATER AWARDS-NEW RECOGNITION

A new award was started this year called The “**CUTWATER AWARD**”. As all vintage boaters know, the cutwater is the forward edge of the stem of a vessel, dividing the water as the vessel advances. The cutwater leads the way for a vessel. This award is for those who lead the way, advancing the mission and purpose of The Chapter and The Society

### CUTWATER AWARD- JOHN CONSTABLE

John has been creatively and actively involved with The Pewaukee Boat Show since 2005. Every year he creates the unique poster. He also developed the 10 Year Anniversary logo. He helps with show set up, provides emcee duties and take down after the show.

### CUTWATER AWARD- 2014-GARY & SUE RECHCYGL

When the idea was proposed to have a Friday evening pre-event hospitality gathering, Gary and Sue raised their hands to have the event at their home. This event puts additional pressure on the hosts in that show setup at the lakefront starts at 7AM Friday morning and goes to 3PM. Gary is always there for set up and take down at the show. Sue has been Chapter Secretary since 2011. Sue is on the MILWAUKEE 2017 Planning Committee.

### CUTWATER AWARD-2014-PETE AND NANCY FEICHTMEIER

Pete and Nancy also put up their hands and agreed to do the cooking at Gary and Sue's home. Nancy is also Chapter Treasurer and serves on boat show committee. Nancy is on the MILWAUKEE 2017 ACBS Annual Meeting Planning Committee

### CUTWATER AWARD-2015FRIDAY NIGHT EVENT-BOB STOLTZ

Bob didn't want to be outdone by his good buddy Gary Rechcygl. Bob raised his hand to host the 2015 Hospitality event at his lake home. Gary Rechcygl did help Bob with setup and take down. Bob serves on the Pewaukee Boat Show Committee and is liaison between The Pewaukee Yacht Club and the show event. Bob has been a chapter advertiser since 2005.

### CUTWATER AWARD-SCOTT BRUESEWITZ

Scott has helped to do a number of winter fiberglass workshops and varnish seminars, 2014-2015. He has made repairs to the show transom and is in the process of repairing and updating the show displays. Scott has recruited a number of new members. Scott is part of the boat show committee.

### CUTWATER AWARD-KEN BOURGEOIS

### CUTWATER AWARD-TOM SELLHAUSEN
