LAKE GENEVA September 23-25 2016
Geneva Lakes Annual Antique & Classic Boat
Show at The Abbey Resort. Blackhawk ACBS
Chapter. Matt Byrne (630) 802-2698 or mat-
tbyrne@mrbtech.com

Thank you to everyone who attended the Spring Meeting at Timmer's on April 30th. It was great to see a few new faces and get to know more about our chapter members.

In this issue of *at the Waterline*, there are registration forms for a lot of this summer's events. Participating as a spectator or as an exhibitor is a great distraction for this election year.

ITS OFFICIAL! The 2017 ACBS International Show will be at **ReefPoint Marina in Racine, Wisconsin**. The pre-events start on September 4 thru September 6, 2017. ACBS show registration starts on the 6th, with the in-water show September 8th and 9th. More information about the schedule of events and volunteer sign-up's will be in future newsletters. We'll need all of your help to make this show the best ever!

Last year, **GLACBS** was invited to exhibit in the **Milwaukee Masterpiece** show at the Milwaukee lakefront. We had a land display of 12 boats. It was a great success. The organizer's want us back this year.

This year's event is a two-day program. Saturday, August 27 is **Show and Glow** by the Lake. It's a casual celebration of all things motorized, including BOATS. There is a \$15 registration fee. Sunday, August 28 is the **Milwaukee Concours d'Elegance**. This day is invite only for unique motorcars, motorcycles, AND BOATS. We want to showcase different BOAT style and history. More exhibitors are needed for this event! We want a good representation of the variety and styling in the classic boating world. Wood or fiberglass, motorized or non-motorized, all years and makes, are welcomed. Submit the registration form in this issue and register online for Saturday's **Show and Glow**; Sunday's event is a separate application form. Call me 262-389-0535 or email me at customboatservice@sbcglobal.net if you have questions.

Mary and I want to share with you our new additions!

- 1) **1969 Century Arabian** 19' with 440hp Chrysler V-drive. Yes its fiberglass!
- 2) **River!** 3 months English Cream Golden Retriever. Boat name to be River's Ride.

If you have updates or photos you'd like to share with your club members in the newsletter, send them to me. We'll make room for them. You can also post pictures on the ACBS website. Go to ACBS.org. Click on chapters. Then click on the Glacier Lakes logo and post a picture. I want to make the boat club interesting for all members. Please feel free to email me your feedback and ideas. Let's get the boating season started!

11th Annual, Madison Area Antique & Classic Boat Show August 5-6, 2016

You are invited to take part in the eleventh annual, Madison Area Antique & Classic Boat Show. Christy's Landing Restaurant will again be the site for the show on Saturday, August 6th. This location is simply outstanding for the public to view these beautiful boats on Saturday. On Friday, August 5th, we will host a boat tour of the Madison chain-of-lakes; including Lake Waubesa, Lake Monona, & Lake Mendota (weather permitting). The tour will break for lunch at the Edgewater Hotel overlooking Lake Mendota and the boat piers and includes a few excursions before heading back to Lake Waubesa.

One of the most important aspects of this show is the majority of the proceeds will go to the Clean Lakes Alliance. This organization is dedicated to improving the lake quality within the Yahara Lakes' watershed. For 2016, our goal is to raise \$5,000 from the public and area sponsors donations.

Awards will be given in several categories including the Best Chris Craft, Best Century, Best Streblov, Best Inboard Motor Boat, Best Outboard Motor Boat, Best Non-Motorized Boat, Best Fiberglass Classic, and of course the "Best of Show". This will also include the public selecting the People's Choice Award. This year's featured boat manufacturer is Streblov Boats.

Please return your registration form quickly, as we are limited to approximately 45 boat slips (entries accepted on a first-come-first-serve basis). Also e-mail a brief history of your boat and a photograph (waltwoody@charter.net) to enhance our boat show program booklet, which will feature all the show participants' boats.

The accompanying Schedule of Events, Registration Form, and Map should help answer your questions. If you need additional information, please contact Mark Walters or Andy McCormick via e-mail or telephone (see below). Should you desire lodging, we list local hotels on the map.

Thank you in advance for your interest and involvement. We look forward to seeing you at the show

DOOR COUNTY Classic & Wooden Boat Festival

AUGUST 12 & 13, 2016

*You are invited to the 26th annual
Door County Classic & Wooden Boat Festival*

The spotlight will be on classic boats at the Door County Maritime Museum when we host our 26th Annual Door County Classic & Wooden Boat Festival, August 12 & 13 in Sturgeon Bay. Sharing the spotlight with all the finely crafted vessels from sail and runabouts to kayaks and canoes are the colorfully decorated and hand-crafted Sikaflex vessels. The Sikaflex Challenge always draws an enthusiastic crowd during construction, time trials at sea and eventual destruction. Meanwhile, an art show and other demonstrations are part of the festival. And it doesn't stop there. We have also partnered with the city's Maritime on Madison festival (immediately adjacent to our site) to provide music, children's activities, shopping specials, wine and beer tasting, and much more. Admission to the festival is free.

Show visitors can choose their favorite boats as they walk the docks. People's Choice Awards will be awarded in the following categories: Favorite Classic Inboard, Favorite Classic Outboard, Favorite Sailboat, Favorite Fiberglass Classic, Favorite Non-Powered Boat, Favorite Model Boat, Favorite Unique Craft and Overall Best of Show.

New this year is Friday's "Bay to Lake Lighthouse Cruise" for registered boaters. Following a lighthouse presentation at the museum, boaters will jump aboard their boats and head past the largest shipyard on the Great Lakes to the Sherwood Point Lighthouse. Upon your return you will tie up at the Sturgeon Bay Yacht Club for lunch (from its menu). After eating, the cruise will continue through the historic ship canal to the U.S. Coast Guard Station lights. We'll reverse course out on the big lake and return to the museum to prepare for the evening cocktail reception.

For lodging needs, please visit www.doorcounty.com for an extensive listing of hotels and resorts to choose from.

Thank you in advance for your interest and involvement.
